**Information Rights** Philip Coppel KC,2020-06-11 Retaining the position it has held since first publication the fifth edition of this leading practitioner text on information law has been thoroughly re worked to provide comprehensive coverage of the Data Protection Act 2018 and the GDPR Information Rights has been cited by the Supreme Court Court of Appeal and others and is used by practitioners judges and all those who practise in the field The new edition maintains its style of succinct statements of principle supported by case law legislative provisions and statutory guidance Reflecting its enlarged scope and to maintain easy referencing the work has been arranged into two volumes The first volume is a 1 250 page commentary divided into six parts The first part is an overview and introduction to overarching principles The second part provides an authoritative treatment of the data protection regime This covers all four forms of processing general applied law enforcement and security services under the GDPR and DPA 2018 Each obligation and each right is comprehensively treated with reference to all known case law both domestic and EU including those dealing with analogous provisions in the previous data protection regime The third part provides a detailed treatment of the environmental information regime This recognises the treaty provenance of the regime and its distinct requirements The fourth part continues to provide the most thorough analysis available of the Freedom of Information Act and its Scottish counterpart As with earlier editions every tribunal and court decision has been reviewed and where required referenced The fifth part considers other sources of information rights including common law rights local government rights and subject specific statutory information access regimes eg health records court records audit information etc The final part deals with practice and procedure examining appeal and regulatory processes criminal sanctions and so forth The second volume comprises extensive annotated statutory material including the DPA 2018 the GDPR FOIA subordinate legislation international conventions and statutory guidance The law is stated as at 1st February 2020

*Yearbook of International Organizations 2013-2014 (Volumes 1a-1b)* Union Of International Associations,Union of International Associations,2013-06-21 Volume 1 A and B covers international organizations throughout the world comprising

their aims activities and events

**Transnational Law & Contemporary Problems** ,2014

**Related Party**

**Transactions and Corporate Groups**

Ivan Romashchenko,2020-03-06 In a market environment where economic actors

conduct themselves as diligent and conscientious managers the regulation of related party transactions RPTs would be largely irrelevant Unfortunately the corporate reality is far from an ideal world that is innocent of market abuse and corporate fraud It remains necessary to protect minority shareholders from the wrongdoings of majority shareholders and to protect all shareholders from opportunistic managerial behaviour This timely book the first on the subject since implementation of the European Union s EU s revised Shareholders Rights Directive provides in depth analysis of how and to what extent RPTs are covered by existing legal requirements on capital protection and corporate group regulation highlighting experiences and strategies adopted in Germany Poland and the Netherlands as examples for Eastern European countries and in particular Ukraine Beyond his comparative analysis of the current status the author offers recommendations for more effective handling of RPTs investigating such aspects as the following what constitutes a corporate group and how group issues are regulated in the various legal systems what constitutes a conflict of interest originating in ownership and control and what types of such conflicts occur whether RPTs within corporate groups should receive special treatment relative to transactions outside groups combatting corporate raiding most often carried out through illegal seizure of corporate assets approval and disclosure requirements for RPTs and how information about RPTs is disclosed publicly Drawing on resources including legislation case law scholarship and intensive discussions with practicing lawyers from several jurisdictions the author underscores the imperative of establishing limitations and requirements that oblige a company s officers shareholders and other potential related parties to follow certain rules whenever they wish to enter into an RPT As a contribution to the debate about the convergence between EU corporate law and that of major eastern European states the book has no peers Practitioners in both East and West who advise on compliance with regulations for RPTs or represent stakeholders interests against abusive RPTs will ensure appropriate remedies and protection mechanisms for their clients
