## And Hashbrowns Recipe:

[Cook's Illustrated Revolutionary Recipes](#) America's Test Kitchen, 2018-10-23 2019 IACP Award Winner in the Compilations Category On the occasion of Cook's Illustrated's 25th anniversary we've gathered together our most extraordinary recipes and innovations from the past quarter century in this hands-on book packed with practical tips and techniques. These recipes tell the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing, culinary research, science and unorthodox approaches to developing foolproof recipes. As fans know, a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe, tracing from initial brainstorming to aha moments and the occasional catastrophe to final success. Rarely republished since they first appeared, these feature-length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays and helpful sidebars, this book also features the trademark black-and-white illustrations that have become synonymous with Cook's Illustrated, creative use of the beloved front-and-back cover art and a new addition: gorgeous full-color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy-free, the fastest roast chicken recipe, oven-grilled London broil and ingenious low-key approaches to traditionally high-fuss recipes such as risotto, French fries, pie crust and many more.

**Memories from Mama's Table** Linda K. Farris, 2012-12-06 Linda Farris, her husband Garlin and their son Jeff moved to the beautiful little city of Fairhope, Alabama after Garlin's retirement in 2010. There she has found time to pursue her hobbies of painting, photography and writing. These things were part of Linda's list of things to do some day when there was enough time. Raising two daughters and taking care of a son with special needs while living in five different states have made life interesting. Add two sons-in-law, six wonderful grandchildren, a new grandson-in-law and her first great-grandchild due in March and life is good. The Hendrix family reunion is an important part of Linda's life. Because of it, this cookbook was started. The original descendants of Law, Donald and Lennie Mae Hendrix, five boys and five girls, decided at their mother's funeral to keep the family connected by having a reunion every summer. The year was 1969. Since then, attendance has grown to over 100 and the family has had some wonderful times together and grown closer over the years. Friends and family from all over the South have shared stories and recipes from their Mama's tables and Linda has added stories and memories of her Mama and Papa Hendrix and her Granny and Grandad Tucker. If you enjoy this collection of nostalgia and good food and would like to honor someone special with a story or a recipe, contact Linda at [farrislinda@mac.com](mailto:farrislinda@mac.com). Perhaps we can make another visit to Mama's Table.
