Andy Stanley Deep And Wide Study Guide:

Irresistible Bible Study Guide Andy Stanley, 2019-01-15 Author and pastor Andy Stanley explains what made the earliest Christian movement so compelling and resilient and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why then isn't it the same with Christianity today? In this six-session video Bible study DVD, video streaming not included, Pastor Andy answers questions like: What did first-century Christians know that we don't about God's Word about their lives about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Andy is deeply concerned with the present-day church and its future, and he believes that many of the solutions to our issues can be found by investigating our roots. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated against all human odds a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world. Defining Moments Study Guide Andy Stanley, 2010-05-19 Face the Truth. Life is full of defining moments. Like landmarks on a road map, these moments mark key points along your life's journey. A defining moment happens when you come face-to-face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same. In this eight-part companion study guide to the Defining Moments DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture, the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever.

Story Behind the Book While working to develop a series that would introduce people to a new mind set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff church and through the extended home study groups of North Point Community Church, this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah.

Enneagram Theology Rhenn Cherry, 2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams and the personality typology is now taught and embraced at several Christian universities But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram *Enneagram Theology Is It Christian* provides a biblical critique of the Enneagram's underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church **Life Rules Study Guide** Andy Stanley, 2010-05-26 Everything You Need to Know in Life You Can Learn Here When we were in kindergarten half the fun of living was breaking

the rules without getting caught. In real adult life however there is nothing fun about broken promises, relationships or hearts. In this DVD and study guide from North Point Resources, Andy Stanley explains God's set of life rules that can improve current relationships and mend broken ones. Every game requires parameters and in this lifelong journey toward heaven it's never too late to learn, relearn and follow the rules God clearly outlines for His people because they set you on the course for success. Winners Play by the Rules. In kindergarten ignoring the rules was a blast especially if you could get away with it. But as adults we understand that rules are for our protection and that when we break God's rules we cause heartache and broken relationships. Designed for small group or personal use, this companion study guide to the Life Rules DVD clearly explains God's basic set of life rules which when lived hold the power to improve all your relationships. It's never too late to learn and follow the parameters God clearly outlines for His people. This study guide is complete with a leader's guide and six lessons including easy-to-do exercises and discussion questions.
