**Miracles in the Trash** Barbara Hendrix, 2012-09 A mother s womb has become the most dangerous place in the world Innocent life is not to be relegated to the trash cans of the world In this musical God wants to bring humanity back into the embrace of his divine love a humanity that has boldly stepped onto the pathway of its annihilation through the catalysts of abortion and homosexuality Truth has the ability to change hearts and minds and God is truth A beautiful unique life is to be cherished and cared for because it is the most precious of gifts from the creative heart of God What if Mary had aborted Jesus the Son of God In this play she does and is punished by God with a life that never ends After Jesus is aborted and has resumed his heavenly state he is torn between the love that he has for his mother and his Father who seeks to have his mother tried in a court of law for the murder of his Son and thus the Church of

God This play sets the stage for the unthinkable and unravels the answers to the controversial questions surrounding a woman's decision to abort her miracle a gift from the love and very heart of God Miracles in the Trash portrays abortion from God's perspective and his boundless love for each individual life he has created revealing that life begins in the heart and mind of God and that he knows who we are before we are even conceived Biblical references support that fact If we believe that God is all knowing then it leads to only one conclusion that he knew who we were before our mother even met our father
