## **Animal Dropping Guide:**

Scatalog: Quick ID Guide to Southern African Animal Droppings Kevin Murray,2011-12-09 A quick and quirky ID guide to animal droppings for carnivores primates antelope rats and mice reptiles and birds Photographs mostly life size and brief text enable quick identification of the animals responsible for droppings To confirm identity summary tables give details of average width length and typical contents of droppings A recommended reference for local rangers and field guides it will be of use to anyone with an interest in wildlife and even to those who simply enjoy walking and observing in the wild

**Practical Ecology for Geography and Biology** M. Gilbertson,2012-12-06 Our aim in writing this book is to provide students and teachers with a simple introductory text which deals with practical aspects of ecology environmental biology and biogeography emphasizing actual field and classroom investigations Basic concepts and methods of survey mapping and aerial photography data collection and data analysis are described and discussed in order to encourage students to identify and tackle worthwhile projects The level at which this text is appropriate depends very much upon particular circumstances The greater part lies within the scope of the sixth form and the first and second years of college polytechnic and university courses in the British Isles and their equivalents overseas All students inevitably meet difficulties in the identification of plant and animal species particularly when they venture into unfamiliar habitats and regions This is often the cause of unnecessary alarm Many ecological principles or problems may be illustrated by reference to familiar species and habitats such as are found in urban environments as well as those areas of semi natural vegetation favoured for field courses
