*How to Become a Successful Christian Leader* Robert H. Pierson, 1978-01-01      **Developing Christian Leadership**

Trevor R. Summerlin, 2023-02-14 This book draws on Trevor's experience in both Christian and secular organisations to look at different patterns for leadership and he explains the necessity for every leader to model a clear strategy for their work. He outlines 8 different philosophical approaches, he identifies 14 potentially destructive attitudes that should be avoided, he highlights 10 major qualities by which every leader should seek to measure themselves and he includes a massive resource in his bibliography. The book is essential reading for every person in any leadership role, whether in business, industry, education or commerce, for every church leader, for every leader in a charity or voluntary organisation, for every person contemplating a position of leadership and for every person who is following someone else's leading. Trevor explains that every organisation would benefit from appointing leaders who accept and understand how to apply these key principles of Christian Leadership.

**Successful Christianity And Basic Ministries** Dipo Toby Alakija, 2016-04-12 The first question is how Christianity is practiced even in a hostile environment. Next to that is the question about the potentials of Christians in spite of their apparent limitations. The other issues are connected to the successes, deliverance, callings, basic ministries of all Christians and evangelism. Various schools of thoughts have attempted these questions but many answers only portray Christianity as a form of religion instead of a way of life as specified by God. Some answers give room for compromise, hypocrisies, dogmas and denominational doctrines. The misconceptions about these areas of Christianity have brought about worldliness instead of righteousness and false achievements instead of fulfillment. This book, which contains six different subjects, had been used to hold seminars at various levels, train ministers and Christian workers in Bible Schools and to equip the Church. It explains in simple terms the seemingly complex issues on practice of Christianity: Potentials, Deliverance, God's Kind Of Success, Evangelism and Basic Ministries of a Christian with Biblical principles, life-transforming stories and illustrations.

**Christian Ministries And Basic Leadership Course Book** Dipo Toby Alakija, As it is common to say that the hood does not make a monk, the dignified positions and bogus titles of many Christian leaders in modern days do not really make them Gospel Ministers. This course book, a compilation of five resource materials on Missions And Outreach Ministries, Christian Communication Arts, Christian Leadership, Christian Education Methodology and Ministries Of Improvisations, aims at making every matured Christian an effective minister and leader at their respective homes in communities and nations. It teaches various ways Christians can meet up to their responsibilities and commitments as ministers and leaders that reconcile people to God and edify the Body Of Christ, reaching out to souls at the same time. All of the resource materials are in use in Bible Schools like College Of Christian Education And Missions, Churches and other ministries to raise Christian workers, Evangelists, Missionaries and other Ministers that serve at various levels and leadership capacities.      *Success Skills for High School, College, and Career (Christian Edition)* Cary J. *Redefining Leadership* Joseph M. Stowell, 2014-04-22 Is successful leadership measured simply by the outcomes a leader achieves or is there another more essential yardstick for measuring success In *Redefining Leadership* author pastor and college president Joe Stowell shows us that the best leaders are driven by Christ formed character and that truly successful leadership is not defined by the standards of this world but by the counter intuitive practices and perspectives of the Kingdom of Christ With compelling personal stories and insights from the Bible he highlights the contrast between these two radically different leadership styles and demonstrates that the teaching and example of King Jesus the world s most unlikely leader is the only model of leadership that leads to maximum results results that will have an eternal impact **Sermons and Addresses, Question Drawer and Other Proceedings of the Christian Convention Held in Chicago, September 18th to 20th, 1883** , 1884 **The Christian Leader** Bill Hull, 2016-05-31 What if everything you ve heard about leadership is wrong Secular models of leadership rooted in pragmatic success dominate Christian leadership in the West It makes our work impersonal and exploitive And at worst it serves the leader rather than those the leader leads We need a different style of leadership one patterned after Jesus We need to learn to influence others out of our character for that is what Jesus did The Christian Leader is not about improving your church your work or your family it is about changing how you lead It does more than teach you how to modify your behavior it shows you how to change the sources of your behavior your motives and reasons for being a Christian leader In the end as everything you know and believe about Christian leadership is transformed it will lead to transformation in those you lead and serve *Integrity3 the Importance of Integrity in Christian Leadership* Rev. Dr. Jasmin O. Brown Dmin DSL, 2017-01-31 Integrity has been an essential component of leadership throughout the ages

The Church is facing an integrity crisis consistently struggling with a plethora of ethical woes among several gifted leaders. Not only is the Church's conduct in question, its very character and competence are being placed under intense scrutiny. This book explores three dimensions of integrity: It proposes that the overall process of leadership development pivots on three dimensions of integrity: personal integrity, the character of the leader; vocational integrity, the competence of the leader; and organizational integrity, the commitment and contribution of the leader. This book also proposes that while being gifted is an asset to leadership, giftedness is never enough for successful leadership. It is the combination of giftedness and integrity<sup>3</sup> that will facilitate effective leadership.

The Evangelist, 1899      **The Christian Leader**, 1941      **Secrets of Christian**

**Leadership Success** Lawrence Ativie Osifo, 2017-06-12

**The Foundational Knowledge** It is the perfect and divine plan of the God of all creations that all His creations prosper and have good successes. BUT the instrument for measuring Christian Leadership Success is Spirit o meter. Any attempt to apply Flesh o meter will only end the leader up in disgrace. In other words, Christian Leadership success is not judged with the same standard as the worldly leadership success. The principles are different, the destinations and the rewards also differ. The methods and styles of leadership in the world of unbelievers are not the same as methods and styles of leadership in the Christendom. The worldly methods and styles may give you immediate and great results, BUT such schemes do not stand the test of times. The worldly success does not enter into eternity in the Heaven where Christ dwells. The main agenda for this book is committed to helping Christian leaders to successfully enter into their heavenly home and not after leading others to enter, they themselves are cast out, being told at the gate, "I never knew you, depart from me, you who worked iniquity." That will be an eternal disgrace. In Luke 10:20, Jesus was quick to caution His disciples: do not only rejoice that the spirits are subject unto you, but rather rejoice that your names are written in heaven. But it seems that many Christians today have kind of lost the consciousness and the desire for their names to be written in heaven. This is exactly where many Christian leaders are failing in this era. Many Christian leaders are ignorantly applying the methods of the world for acquiring successes in the Church. The application of the worldly standard to acquire success as a Christian places the believer as the enemy of the Holy God. The Holy Bible book of James 4:4 clearly says this: "You adulterers and adulteresses, do you not know that the friendship of the world is enmity with God? Whosoever therefore will be a friend of the world is the enemy of God." The causes of Christian Leaders' successes and the reasons for their failures will continually be pointed out and as well addressed as matters arising in every chapter of this book. The cures for the failures, which are actually the secrets, are in the fate of individual believers as the scripture says in 2 Timothy 2:19: "that the foundation of God stands sure, having this seal: the Lord knows them that are His. And let everyone that calls on the name of Christ depart from iniquity." The successes made by some Christian leaders are largely determined by the foundational knowledge divinely acquired and imbibed by such leaders. Anyone who began in truth with a sincere mind in the Spirit of the Holy God and continue in the word of the Righteous God will definitely succeed at last. The world most acclaimed

successful leader of the Christians is Jesus the Christ He is the one every true Christian leader desires to be like In Him and from Him are the secrets needed by any leader to truly succeed He knew so much about the future events and He said in warnings to His disciples in the bible book of Matthew chapter twenty four verse five that many will come in My name saying I am the Christ and they will be leading many astray In the bible records of Luke chapter twenty one verse eight He said Take heed that you are not led astray for many will come in my name saying I am he and The time is at hand Do not go after them In Luke chapter twelve verse fifteen the Lord Jesus Christ said Take heed and beware of covetousness for a man s life is not in the abundance of the belongings which he possesses The phrase Beware of covetousness stands clearly out as number one profound statement and secret for successes which any thoughtful leader must jealously treasure on the way up and to balance up     *Association Men* ,1898     **'The Christian' Bible readings [Old Testament] (by F.B.
