MIDTERM EXAMINATION 2024

Time : 3 Hrs.

Class : XI

SUBJECT : ENGLISH CORE

M.M. : 80

General Instructions:

1. The paper is divided into 3 sections: A, B and C. All the sections are compulsory.
2. Specific instructions, wherever necessary, are given along with the questions. Follow them strictly.

Section - A : Reading Skills (26 Marks)

Q1. Read the following passage carefully:

(10)

- I. As a form of expression, graffiti is famously characterized by outlaw values; the creation and display of graffiti countered societal rules and was considered by some as vandalism. Not only was it symbolic of rebel values but was also linked to destruction of property. These links between graffiti culture and rebellion were age-old and some say, were popularized by hip-hop culture.
- II. Imagine waking up one morning, to see your walls smeared with black paint- names, symbols, messages. The most interesting bit is that these wall artists were never caught red-handed. It was all done stealthily. It was almost as though people were marking their territory using painted symbols and slogans. The change was creeping in. Mobile numbers and captivating phrases gradually became marketing tools for free advertising. Catchy phrases tickled the curiosity and calls were made to those numbers.
- III. Over a period of time, there was a shift in perception. Blank walls beckoned invitingly and artists saw whitewashed walls as an opportunity to display their work in free and open settings. The city became one large canvas; the illegal 'gang activity' became an art form on display in walking galleries. Graffiti was gradually being replaced and the stigma of illegality was being dropped. There was a move to embrace rather than condemn.
- IV. The colours, shapes, and subjects became cultural themes. What was once rebellious expression is artistic talent at its vibrant best, rich in images of plants, animals and unspoiled landscapes. The painted walls encouraged by residents and governments have created their own ecosystem – a reconciliation of nature with man-made forces.
- V. The monotony and uniformity of urban life is today infused with human vitality and beauty. Cities speak proudly about the painted walls and clamour to be the first to preserve culture and history through these. Graphic displays of social awareness issues effectively and economically reach out to the common man. Silent art speaks volumes. Be it hygiene, conservation, education, or rights and duties - the message is conveyed in an animated, colourful manner without being an imposition.

Based on your understanding of the passage, answer the questions given below:

(10x1=10)

- (i) Complete the sentence by choosing an appropriate option.
Graffiti in the earlier years was _____.
(A) considered a valuable legacy. (B) done by prominent artists.
(C) an expression of rebellion. (D) supported by society.
- (ii) Comment on the writer's statement, "It was all done stealthily".
- (iii) List two reasons why graffiti was not popular among people.
- (iv) Select the word from para 2 of the passage that conveys the opposite of "boring".
- (v) The writer would agree with all of the following EXCEPT:
(A) Graffiti art was a paid activity.
(B) Wall art was an age-old tradition.
(C) Graffiti became popular as a marketing tool.
(D) People were curious by what was scribbled on walls.
- (vi) Which word from the following most nearly means 'reconciliation' with reference to the given context? (para 4).
(A) cease fire (B) standoff (C) alienation (D) reunion
- (vii) Why does the writer say that the stigma of 'illegality' was dropped?
- (viii) Complete the following sentence with reference to the passage:
The city became one large canvas because _____.
- (ix) The passage states a shift in attitude. Identify the best option that indicates this shift.
