

THE TWELVE STEPS

INTREPID
INTER-DEPENDENT

STEP ONE

We admitted we were powerless over alcohol, that our lives had become unmanageable.

STEP TWO

Came to believe that a Power greater than ourselves could restore us to sanity.

STEP THREE

Made a decision to turn our will and our lives over to the care of God as we understood Him.

STEP FOUR

Made a searching and fearless moral inventory of ourselves.

STEP FIVE

Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

STEP SIX

Were entirely ready to have God remove all these defects of character.

STEP SEVEN

Humbly asked Him to remove our shortcomings.

STEP EIGHT

Made a list of all persons we had harmed, and became willing to make amends to them all.

STEP NINE

Made direct amends to such people wherever possible, except when to do so would injure them or others.

STEP TEN

Continued to take personal inventory and when we were wrong, promptly admitted it.

STEP ELEVEN

Sought through prayer and meditation to improve our conscious contact with God, as we understood Him.

STEP TWELVE

Having had a spiritual awakening as the result of these Steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

Carnes, 2012-04-13 A Gentle Path through the Twelve Steps Updated and Expanded *Trauma and the 12 Steps, Revised and Expanded* Jamie Marich, 2020-07-07 An inclusive research based guide to working the 12 steps a trauma informed

approach for clinicians, sponsors and those in recovery. Step 1 You admit that you're powerless over your addiction. Now what 12 step programs like Alcoholics Anonymous AA and Narcotics Anonymous NA have helped countless people on the path to recovery. But many still feel that 12 step programs aren't for them that the spiritual emphasis is too narrow the modality too old school the setting too triggering or the space too exclusive. Some struggle with an addict label that can eclipse the histories, traumas and experiences that feed into addiction or dismisses the effects of adverse experiences like trauma in the first place. Advances in addiction medicine, trauma, neuropsychiatry, social theory and overall strides in inclusivity need to be integrated into modern day 12 step programs to reflect the latest research and what it means to live with an addiction today. Dr Jamie Marich an addiction and trauma clinician in recovery herself builds necessary bridges between the 12 step's core foundations and up to date developments in trauma informed care. Foregrounding the intersections of addiction, trauma, identity and systems of oppression. Marich's approach treats the whole person not just the addiction to foster healing, transformation and growth. Written for clinicians, therapists, sponsors and those in recovery. Marich provides an extensive toolkit of trauma informed skills that Explains how trauma impacts addiction, recovery and relapse. Celebrates communities who may feel excluded from the program like atheists, agnostics and LGBTQ folks. Welcomes outside help from the fields of trauma, dissociation, mindfulness and addiction research. Explains the differences between being trauma informed and trauma sensitive and Discusses spiritual abuse as a legitimate form of trauma that can profoundly impede spirituality based

approaches to healing. **Simple But Not Easy** Paul H. & Scott N. , 2013-10 From Simple But Not Easy For over seventy

years the Big Book of Alcoholics Anonymous has offered alcoholics a solution to their chronic progressive and fatal illness. This solution cannot be found in fighting or quitting or any other human effort. Many people abstain from alcohol for months even years by going to meetings, reciting the steps and exchanging complaints about their lives with other abstinent people. For these people not drinking is their only goal. But abstinence is only the beginning of recovery. It is the Program of Action particularly Steps 4 through 9 that brings about a spiritual awakening and recovery. This small book offers newcomers, sponsors and even long time members of the AA Fellowship a new tool to identify and understand the basic principles of the Big Book. Once that understanding turns to action taking the 12 Steps a spiritual awakening and true recovery can be achieved by anyone.
