A Level Divinity Four Gospels:

The Christology of the Fourth Gospel Paul N. Anderson, 2010-01-01 This important work not only contributes to understanding the origins and character of John's christological tensions but it also outlines a new set of theories regarding several innovative dialogical approaches to the Johannine text In his new introduction to this edition Anderson engages constructively the responses of his reviewers and outlines his own theories regarding John's dialogical autonomy Posing a comprehensive new synthesis regarding John's composition situation history relations to Synoptic traditions agency Christology historicity and theological tensions Anderson here summarizes his most significant theories published since it first appeared In so doing advances suggested by this pivotal text are laid out in a new set of paradigms addressing the Johannine riddles in fuller detail

Rhetoric and Theology William M. Wright, 2009 This monograph on John 9 makes extensive use of premodern Christian exegesis as a resource for New Testament studies The study reframes the existing critique of the two level reading of John 9 as allegory in terms of premodern exegetical practices It offers a hermeneutical critique of the two level reading strategy as a kind of figural exegesis rather than historical reconstruction through an extensive comparison with Augustine's interpretation of John 9 A review of several premodern Christian readings of John 9 suggests an alternative way of understanding this account in terms of Greco Roman rhetoric John 9 resembles the rhetorical argumentation associated with chreia elaboration and the complete argument to display Jesus identity as the Light of the World This analysis illustrates the inseparability of form and content rhetoric and theology in the Fourth Gospel

The Way to Nicaea John Behr, 2001 This first volume treats the initial three centuries of the Christian era Part I examines the establishment of normative Christianity on the basis of the tradition and canon of the Gospel and briefly sketches the portrait of the Scriptural Christ inscribed in the New Testament Part II analyzes selected figures from the second century Ignatius of Antioch Justin Martyr and Irenaeus of Lyons considering how they understood Christ to be the Word of God Part III turns to the third century treating Hippolytus and the debates in Rome Origen and his legacy in Alexandria and Paul of Samosata and the Council of Antioch in a continued examination of Christ as the Word and Son of God These debates form the background for the controversies and Councils of the following centuries to be examined in subsequent volumes P 4 of cover

The Fourth Gospel the Heart of Christ Edmund Hamilton Sears, 1886

A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have

been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church **The Gospel of Youth in the God-man** Charles Frederick Hoffman,1895 A Commentary on the Gospel According to John Johann Peter Lange,1872 *The Methodist Review* ,1898 **Primitive Monitor and Church Advocate** ,1889 **A Manual of Catholic Theology** Matthias Joseph Scheeben,Joseph Wilhelm,Thomas Bartholomew Scannell,1898 Calcutta Review ,1873 *The Dublin University Review* ,1885-08 **Handbook to the Gospels** J.
