I Want My Daughter to Take Care of Me - A Study about Secondary Education in Kenya with Special Emphasis on the Family Background of the Students Daniel Schmidt,2009-11 Internship Report from the year 2007 in the subject Politics International Politics Region Africa grade 1 0 University of Twente Political Institute 86 entries in the bibliography language English abstract In Kenya secondary education is still very problematic as it is cost school fees and this money is often too much for the low earning families Therefore only 30% of the eligible students are going to secondary schools in Kenya Aduda Daily Nation 14 06 2007 During a three month stay in Kenya I had the chance to conduct an interview with parents who send their girls to a secondary school in Mabungo a village next to the city of Ukunda My aim was to find out why parents decided to send the girls to school and what they expect from those investments in the future Four leading hypotheses were established before the interviews took place namely 1 Families that have the choice of sending boys or girls to school prefer the boys 2 Only parents who are educated themselves also care about education for their children 3 The work that has to be done around the house prevents parents from sending their children to school since their working skills are needed in order to feed the family 4 Parents see the investing in their children as a step into a secure future for themselves which is often the main reason why they send their children to school In order to find out whether those hypotheses apply the interview was constructed around those questions The set up of the paper will reconstruct the approach which was taken in order to find answers to the hypotheses In the first part the methodology which was chosen in order to construct and implement the interview will be described After this the answers will be described and it will be shown that especially the fourth hypothesis is true and of crucial importance for parents that send their girls to secondary schools In the following section it will be checked if the result

Teacher Interview Questions and Answers - English Navneet Singh, Here are some common teacher interview questions along with suggested answers that highlight key qualities and skills important for teaching roles 1 Why did you decide to become a teacher Answer I decided to become a teacher because I have a passion

for education and a strong desire to make a positive impact on students lives I believe that teaching is one of the most meaningful professions as it allows me to inspire and empower the next generation I enjoy helping students discover their strengths overcome challenges and achieve their full potential 2 What is your teaching philosophy Answer My teaching philosophy centres around student centered learning I believe in creating an inclusive and engaging classroom environment where all students feel valued and motivated to learn I strive to use a variety of teaching methods to cater to different learning styles and to encourage critical thinking collaboration and creativity My goal is to foster a love for learning and to equip students with the skills they need to succeed both academically and in life 3 How do you handle classroom management Answer I handle classroom management by establishing clear expectations and consistent routines from the beginning of the school year I believe in proactive strategies such as building strong relationships with students creating an engaging curriculum and using positive reinforcement to encourage good behaviour When issues arise I address them promptly and fairly always aiming to understand the underlying causes and to find constructive solutions that help students learn from their mistakes 4 How do you differentiate instruction to meet the needs of diverse learners Answer I differentiate instruction by assessing the individual needs strengths and interests of my students I use a variety of instructional strategies such as flexible grouping tiered assignments and personalized learning plans I also incorporate technology and hands on activities to provide multiple means of engagement Regular formative assessments help me monitor progress and adjust my teaching methods to ensure that all students are challenged and supported appropriately 5 How do you incorporate technology into your teaching Answer I incorporate technology into my teaching by using it as a tool to enhance learning and engagement This includes using interactive whiteboards educational apps and online resources to create dynamic lessons I also encourage students to use technology for research collaboration and presentations Additionally I integrate technology to provide personalized learning experiences and to facilitate communication with students and parents 6 Can you provide an example of a successful lesson you have taught Answer One of my most successful lessons was a project based learning unit on environmental science Students were tasked with researching local environmental issues and developing solutions They worked in groups to gather data create presentations and propose action plans This lesson was successful because it was highly engaging encouraged critical thinking and collaboration and allowed students to see the real world impact of their work Many students expressed a greater interest in science and environmental issues after the project 7 How do you assess student progress Answer I assess student progress using a variety of methods including formative and summative assessments Formative assessments such as quizzes exit tickets and classroom discussions help me gauge understanding and adjust instruction as needed Summative assessments like tests projects and presentations evaluate overall learning and mastery of content I also use rubrics and self assessment tools to involve students in the evaluation process and to provide clear criteria for success Regular feedback is essential to help students understand their progress and areas for improvement

8 How do you engage parents in their child's education Answer I engage parents by maintaining open and regular communication through emails newsletters and parent teacher conferences I also use online platforms where parents can access updates on their child's progress assignments and classroom activities I encourage parents to participate in school events and to volunteer in the classroom Building a strong partnership with parents helps create a supportive learning environment and ensures that students receive consistent encouragement both at school and at home

9 How do you stay current with educational best practices and professional development Answer I stay current with educational best practices by attending workshops conferences and webinars I also participate in professional learning communities where I collaborate with colleagues to share ideas and strategies I subscribe to educational journals and follow relevant blogs and social media groups to keep up with the latest research and trends Additionally I continually reflect on my teaching practices and seek feedback to identify areas for growth and improvement

10 How do you handle a student who is consistently disruptive in class Answer When dealing with a consistently disruptive student I first seek to understand the root cause of the behaviour I meet with the student privately to discuss their behaviour and to set clear expectations for improvement I also work with parents counsellors and other support staff to develop a plan that addresses the student's needs In the classroom I use positive reinforcement and provide opportunities for the student to take on responsibilities that channel their energy positively Consistent and fair consequences for disruptive behaviour are also important to maintain a productive learning environment

These questions and answers can help you prepare for a teaching interview by providing a framework for how to articulate your experiences philosophy and strategies in a professional and thoughtful manner
