four bales per field hand in 1850 nearly twice the average for the best cotton lands in southern Alabama and Georgia tells more about Mallory s steady work habits than about his class status But his most obvious eccentricity what gave him reason to be remembered was that nearly every day from 1843 until his death in 1877 Mallory kept a detailed journal of local national and often foreign news agricultural activities the weather and especially events involving his family relatives slaves and neighbors in Talladega County Alabama Mallory s journal spans three major periods of the South s history the boom years before the Civil War the rise and collapse of the Confederacy and the period of Reconstruction after the Civil War He owned slaves and raised cotton but Mallory was never more than a hardworking farmer who described agriculture in poetical language as the greatest interest of all     **Grain World** ,1909     **The Boston Medical and Surgical Journal** ,1882
