

The background of the book cover features several faint, light-brown geometric diagrams. In the upper left, there is a diagram showing a circle with a point P on its circumference, a vertical line segment from P to a horizontal line, and a horizontal line segment from that point to a vertical line. In the upper right, there is a diagram showing a vertical line with points A , B , and C marked on it, and a horizontal line segment from A to a vertical line. In the lower right, there is a diagram showing a curve with several vertical line segments drawn from the curve to a horizontal line, resembling a Riemann sum approximation. The title text is centered over these diagrams.
