

Look at our value-priced Elan® for '76

There is no other snowmobile like Elan from Ski-Doo. Sure, there are other small machines around. But with Elan, only the size and the price are compact. The performance is full size.

Elan spreads its light weight over a standard size snowmobile track. The result is a sled that combines snowtop flotation and easy handling with big machine traction.

If you think that combination sounds like fun, you're right. And for '76, you can get that fun in two Elan models: the 250 single cylinder and the 250 Deluxe twin.
