## **1st Grade End Year Activities:**

*Educating with Love and Without Compromise* Ed. D. Gallon III, 2010-08 *Educating with Love and Without Compromise* is the stirring heart wrenching tale of educating children in one of the most impoverished and crime ridden communities in the nation. It is one educator's story of returning home to provide hope, education and leadership to a school, a community and children who far too many people and even the system itself had given up on. Faced with challenges ranging from children forgotten by society and neglected at home to teachers and bureaucrats who question the investment of time and resources in certain schools and communities. *Educating with Love and Without Compromise* is the story of one man's struggle to prove that children can succeed in struggling schools and rise from troubled communities. This easy to read, enjoyable tale is sure to both inspire and empower everyone that cares about and loves children. Among immense poverty, incompetent and uncaring teachers, an apathetic system and an ever expanding deadly drug turf war, Darryl Gilliam has come back home to lead the education of over 1 000 elementary school students. Faced with these challenges, he is armed with two core beliefs about the education of children. First, they must always have expressions and examples of love in and around their lives. Second, that under no circumstances should educators and adults ever compromise high expectations when it comes to the learning and lives of their students. Armed with these two core beliefs, boundless energy and a focused plan for educational change, Gilliam works to inspire the same sense of passion and commitment around those around him as he embarks on a personal and professional journey that will take him beyond the walls of the school. *Educating with Love and Without Compromise* is a heart wrenching, uplifting tale that will bring its readers into the real, often unglamorous work of educating children who often sit on the margins of classrooms, schools and society. Dr. Steve Gallon III is a native of Miami, Florida. A graduate of Florida A M University, he holds a degree in English Education as well as a Masters Degree in Educational Leadership and a Doctoral Degree in Educational Administration and Supervision from Florida International University. Dr. Gallon has risen through the administrative ranks as a public school educator, serving as a teacher, assistant principal, elementary and senior high school principal, and central office administrator in Miami Dade County Public Schools, the nation's 4th largest school district. He has also served as a Superintendent of Schools. At every level of his service as an educator, Dr. Gallon has improved student performance, accountability and overall educational quality. In addition to his work in public education, he has also served as an adjunct professor in the area of Educational Leadership at Florida International University and Florida Atlantic University.
