 Judson R. Landis,1992 Landis applied approach combines readings commentary and core concepts Adopters are satisfied
 with the lighter core format of the text The readings are diverse and deal with contemporary issues thus increasing relevancy
 to students The text is a smooth read for the 2 year college student not too condescending and not too complicated Van
Nostrand's Scientific Encyclopedia Douglas M. Considine,Glenn D. Considine,2013-12-11 Advancements in science and
 engineering have occurred at a surprisingly rapid pace since the release of the seventh edition of this encyclopedia Large
 portions of the reference have required comprehensive rewriting and new illustrations Scores of new topics have been
 included to create this thoroughly updated eighth edition The appearance of this new edition in 1994 marks the continuation
 of a tradition commenced well over a half century ago in 1938 Van Nostrand s Scientific Encyclopedia First Edition was
 published and welcomed by educators worldwide at a time when what we know today as modern science was just getting
 underway The early encyclopedia was well received by students and educators alike during a critical time span when science
 became established as a major factor in shaping the progress and economy of individual nations and at the global level A vital
 need existed for a permanent science reference that could be updated periodically and made conveniently available to
 audiences that numbered in the millions The pioneering VNSE met these criteria and continues today as a reliable technical
 information source for making private and public decisions that present a backdrop of technical alternatives **Popular**
