

# SWASHBUCKLER

Moonlight shines against a masked elf, dressed all in black, creeping across the ramparts of a manor to rescue her love trapped inside, her sword by her side to demand satisfaction.

A gnome pirate keeps a delicate balance on a mast above swelling sails. His feet dance across the beam as his sword whizzes in front of him, stumbling his attackers with a deft feint.

A quick stepping dwarf laughs in the middle of a bar fight, he leaps off a staircase and grips a wooden chandelier, swinging above the fray as he aims his crossbow with his free hand.

Swashbucklers are daring duelists who combine panache, skill, and resourcefulness. They seek adventure and excitement and their wit can be just as cutting as their blades.

## NIMBLE DUELISTS

Swashbucklers are celebrated for their superb skill in battle. Though they may not strike with the force of a fighter or a paladin, they dazzle their opponents with dexterous footwork and superb skill. In a fight a swashbuckler never stays in the same place for long, they leap and dodge and flank, forcing their foes to keep on their toes.

## ROVING ROGUES

Most swashbucklers never stay too long in any one place. They're always on the lookout for new challenges, new opportunities, new partners to wile away some time, new tests for their skills and new opportunities to let their prowess shine. Or they're avoiding their mistakes, skipping from port to port with the law, or a jilted lover, one step behind.

## CREATING A SWASHBUCKLER

As you create a swashbuckler, take some time and think about why they are buckling swashes. Are they fighting a specific enemy? Are they protecting those who can't protect themselves? Are they in it for the excitement and adventure? Work with your DM to figure out how your background interacts with your character's motivations.

## QUICK BUILD

You can make a swashbuckler quickly by following these suggestions. First, Dexterity should be your highest ability score, followed by Charisma. Second, choose either the sailor or folk hero backgrounds.
