**Embracing the Firebird** Janine Beichman, 2002-07-31 How did a girl from the provinces meant to do nothing more than run the family store become a bold and daring poet whose life and work helped change the idea of love in modern Japan Embracing the Firebird is the first book length study in English of the early life and work of Yosano Akiko 1879 1942 the most famous post classical woman poet of Japan It follows Akiko who was born into a merchant family in the port city of Sakai near Osaka from earliest childhood to her twenties charting the slow process of development before the seemingly sudden metamorphosis Akiko's later poetry has now begun to win long overdue recognition but in terms of literary history the impact of Midaregami Tangled Hair 1901 her first book still overshadows everything else she wrote for it brought individualism to traditional tanka poetry with a tempestuous force and passion found in no other work of the period Embracing the Firebird traces Akiko's emotional and artistic development up to the publication of this seminal work which became a classic of modern Japanese poetry and marked the starting point of Akiko's forty year long career as a writer It then examines Tangled Hair itself the characteristics that make it a unified work of art and its originality The study throughout includes Janine Beichman's elegant translations of poems by Yosano Akiko both those included in Tangled Hair and those not as well as poems by contemporaries such as Yosano Tekkan Yamakawa Tomiko and others *Seven Streams Of The River Ota* Robert Lepage, Eric Bernier, 1996-11-04 Of all Lepage's magic boxes this is the masterpiece Independent on Sunday Early one August morning in 1945 several kilos of uranium dropped over Japan changed the course of human history Fifty years later Hiroshima's vitality is striking the city where survival itself seemed unimaginable today incarnates the notion of renaissance Robert Lepage and Ex Machina's *The Seven Streams of the River Ota* makes Hiroshima a literal and metaphoric site for theatrical journey through the last half century In *The Seven Streams* Hiroshima is a mirror in which seeming opposites East and West tragedy and comedy male and female life and death are revealed as reflections of the same reality **Daily Graphic** Henry Ofori, 1968-03 **Miyazawa Kenji and His Illustrators** Helen Kilpatrick, 2012-12-10 In *Miyazawa Kenji and His Illustrators* Helen Kilpatrick examines re-visionings of the literature of one of Japan's most celebrated authors Miyazawa Kenji 1896 1933 The deeply Buddhist Kenji's imaginative *dwa* children's tales are among the most frequently illustrated in Japan today Numerous internationally renowned artists such as Munakata Shik Kim Tschang Yeul and Lee Ufan have represented his stories in an array of intriguing visual styles reinvigorating them as picture books for modern audiences Focusing on some of Kenji's most famous narratives the author analyses the ways artists respond to the stories metaphysical philosophies exploring the interaction of literature art and culture *Miyazawa Kenji and His Illustrators* is richly depicted with full colour images of the representations of Kenji's work making the book a valuable resource on how illustrations shape story and how these picture books continue to convey the texts witty and ironic messages more deeply than the written word alone **The Japan Daily Mail**, 1890 **Frommer's Dollarwise Guide to Japan and Hong Kong**
