Petunia Rose,2023-08-09 For many years I ve known that I was meant to write this book I didn t know the exact reason but I knew that I was meant to tell the story of the asbestos in the cooling towers the importance of righteous leaders and my experiences with the signs and wonders of God Then on June 19 2021 the purpose of this book evolved when God in His Triune Being confirmed to me that yes indeed I was meant to write this book God gave me many prophetic words to include in this book God s Word given to me on 6 21 2021 It is time to enact and react to the changing of the times These are the days of the LORD your God You are to follow my ways and not the ways of the enemy It should be clear for all to see what is going on in the natural world around you When leaders provide wrongdoing and no one is showing outrage that is outrageous Grievous actions have taken place all around this great country and it is time for what has transpired in the past and what is being allowed to currently happen to be revealed and dismantled and those held to justice
