France Since 1945:

France Since 1945 Robert Gildea, 1996 The last fifty years have seen immense challenges for the French constructing a new European order building a modern economy searching for a stable political system It has also been a time of anxiety and doubt The French have had to come to terms with the legacy of the German Occupation the political and social implications of the influx of foreign immigrants the destruction of traditional rural life and the threat of Anglo American culture to French language and civilization Robert Gildea's account examines French politics society and culture as well as France's role in the world from 1945 to 1995 He looks at France's attempt to recover national greatness after the Second World War its attempt to deal with the fear of German resurgence by building the European Community the Algerian war and the later development of a neo colonialism to preserve its influence in Africa and the Pacific He traces the career of General de Gaulle the revolution of 1968 and the trend towards both political consensus and political disillusionment He also examines the rise and fall of the French intellectual the changing cultural policy of the state and the threat of feminism regionalism and multiculturalism to the ideal of the One and Indivisible Republic

France Since 1945 ,2010 **Contemporary France**

D. L. Hanley,A. P. Kerr, Miss A P Kerr, N. H. Waites, 2005-08-17 Many recent studies of French politics have tended to concentrate on the French political system in isolation Contemporary France aims to set the working of the French political system into its historical social and economic context The first section gives a succinct description of the main developments since 1944 in all major contexts economy society domestic politics and foreign relations The authors then analyse the economic social and cultural structures of present day France and discuss the institutional framework of decision making and the major political forces involved in it There are also chapters on French external and defence policy and on the education system all of which are set in the context of the political system as a whole Aimed primarily at students of European history and politics or of French society and culture the book assumes little knowledge in the social sciences and will be readily accessible to beginners in this field

France and Its Empire Since 1870 Alice L. Conklin, Sarah Fishman, Robert Zaretsky, 2015 Providing an up to date synthesis of the history of an extraordinary nation one that has been shrouded in myths many of its own making France and Its Empire Since 1870 seeks both to understand these myths and to uncover the complicated and often contradictory realities that underpin them It situates modern French history in transnational and global contexts and also integrates the themes of imperialism and immigration into the traditional narrative Authors Alice L Conklin Sarah Fishman and Robert Zaretsky begin with the premise that while France and the U S are sister republics they also exhibit profound differences that are as compelling as their apparent similarities The authors frame the book around the contested emergence of the French Republic a form of government that finally appears to have a permanent status in France but whose birth pangs were much more protracted than those of the American Republic Presenting a lively and coherent narrative of the major developments in France's tumultuous history since 1870 the authors organize the chapters around the

country's many turning points and confrontations. They also offer detailed analyses of politics, society and culture, considering the diverse viewpoints of men and women from every background, including the working class and the bourgeoisie, immigrants, Catholics, Jews and Muslims, Bretons and Algerians, rebellious youth and gays and lesbians.

The Routledge Companion to World History since 1914 Chris Cook, John Stevenson, 2006-01-27

The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History. Fully up to date, reliable and clear, this volume is the indispensable source of information on a thorough range of topics such as the Arab-Israeli conflict, anti-Semitism and the Holocaust, all the world's major famines and natural disasters since 1914, whether all countries of the world have a king, president, prime minister or other governance, GNP of the world's major states year by year, biographies of key figures, civil rights movements, the Vietnam War, the rise of terrorism, globalization. Thematically presented, the book covers topics relevant from the First World War to the Iraq war of 2003 and from post-colonial Africa to conflicts and movements in Southeast Asia. With maps, chronologies and full bibliography, this user-friendly reference work is the essential companion for students of history, politics and international relations, and for all those with an interest in world history.

The Routledge Companion to Modern European History since 1763 Chris Cook, John Stevenson, 2004-11-10

The Routledge Companion to Modern European History since 1763 is a compact and highly accessible work of reference, covering the broad sweep of events from the last days of the ancient regime to the ending of the Cold War and from the reshaping of Eastern Europe to the radical expansion of the European Union in 2004. Within the broad coverage of this outstanding volume, particular attention is given to subjects such as the era of the Enlightened Despots, the Revolutionary and Napoleonic era in France, and the revolutions of 1848, nationalism and imperialism, and the retreat from Empire; the First World War, the rise of the European dictators, the coming of the Second World War, the Holocaust, and the post-war development of Europe; the Cold War, the Soviet Union and its break-up, the protest and upheavals of the 1960s, as well as social issues such as the rise of the welfare state and the changing place of women in society throughout the period. With a fully comprehensive glossary, a biographical section, a thorough bibliography and informative maps, this volume is the indispensable companion for all those who study modern European history.

Sociology in France after 1945 P. Masson, C. Schrecker, 2016-04-29

Tracing the evolution of French sociology from the early twentieth century to the present day, this insightful book brings to the fore the renowned origins but relatively slow development of the discipline in France. Divided into four chronological sections, it focuses on the social changes and institutional transformations that have impacted on the history of sociology in France as it relates to both higher education and research. In doing so, it draws attention to three major features of French sociology: the imbalance between theory and method, caused by its philosophical roots; the difficulty of locating it in relation to other disciplines; and the close links between sociology and political thought and action.

Foreign Policy since 1945 Frédéric Bozo,2016-08-01 When Charles de Gaulle declared that it is because we are no longer a great power that we need a grand policy he neatly summarized France's predicament on the world scene In this compact and engaging history author Frédéric Bozo deftly recounts France's efforts to reconcile its proud history and global ambitions with a realistic appraisal of its capabilities from the aftermath of World War II to the present He provides insightful analysis of the nation's triumphs and setbacks through the years of decolonization Cold War maneuvering and European unification as well as the more contemporary challenges posed by an increasingly multipolar and interconnected world Psychoanalysis and the family in twentieth-century France Richard Bates,2022-02-08 In the last quarter of the twentieth century if French people had a parenting problem or dilemma there was one person they consulted above all Françoise Dolto 1908-88 But who was Dolto How did she achieve a position of such influence What ideas did she communicate to the French public This book connects the story of Dolto's rise to two broader histories the dramatic growth of psychoanalysis in postwar France and the long running debate over the family and the proper role of women in society It shows that Dolto's continued reputation in France as a liberal and enlightened educational thinker is at best only partially deserved and that conservative and anti-feminist ideas often underpinned her prominent public interventions While Dolto retains the status of a national treasure her career has had far reaching and sometimes harmful repercussions for French society particularly in the treatment of autism

The Theory of Money in France Since 1945 Émile James,1957 **The Human Tradition in Modern France** K. Steven Vincent,Alison Klairmont-Lingo,2000-10-01 The Human Tradition in Modern France gives a human perspective of the history of France from 1789 to the present revealed in essays that highlight individuals and intriguing events that too often have been lost under labels and statistics Students will gain an understanding of the humor and passion in French history from these new original essays by well established scholars This collection also relates the individuals events and controversies to current historiographical debates The Human Tradition in Modern France is an excellent supplementary text for courses on French history and is also useful for courses in world history and Western Civilization **France and the French** Harry Roderick Kedward,2006-02-02 In this exhaustively researched narrative history Rod Kedward brings to life the great and often terrible dramas of modern France the two cataclysmic wars the Algerian disaster the student and worker

revolt of 1968 but also explores the special worlds of the workplace immigration minorities the role of women and the relationship of politics to place everyday life and collective memory **BOOK JACKET French Philosophy Since 1945**
Étienne Balibar, John Rajchman, Anne Boyman, 2011 The fourth and final volume of The New Press Postwar French Thought series provides a fresh map and analysis for understanding the history of ideas since 1945 This anthology collects the writings of celebrated philosophers along with work by thinkers highly regarded in France for the first time It contextualises the material within a larger intellectual and political history and chronology identifying antecedents and distinguishing four main phases or moments Indispensable for understanding the development of postwar French philosophy as a whole

France in an Era of Global War, 1914-1945 A. Carroll, L. Broch, 2014-09-30 In France in an Era of Global War scholars re-examine experiences of French politics occupation empire and entanglements with the Anglophone world between 1914 and 1945 In doing so they question the long standing myths and assumptions which continue to surround this period and offer new avenues of enquiry *French Vocal Literature* Georgine Resick, 2017-12-22 French Vocal Literature Repertoire in Context introduces singers to the history and performance concerns of a vast body of French songs from the twelfth century to the present focusing on works for solo voice or small vocal ensembles with piano or organ accompaniment suitable for recitals, concerts and church performances Georgine Resick presents vocal repertoire within the context of trends and movements of other artistic disciplines such as poetry, literature, dance, painting and decorative arts as well as political and social currents pertinent to musical evolution Developments in French style and genre and comparisons among individual composers and national styles are traced through a network of musical influence French Vocal Literature is ideally suited for voice teachers and coaches as well as student and professional performers The companion website frenchvocalliterature.com provides publication information a discography links to online recordings and scores a chronology of events pertinent to music a genealogy of royal dynasties and a list of governmental regimes **Income Inequality in France 1901-98** Thomas Piketty, 2001 Looking Forward Arthur Bird, 1899

The Top Books of the Year France Since 1945 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. France Since 1945 : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
