Advanced Programme In Security Management Unisa 2015:

Reformatory Handbook for Safety and Security Measures in South African Schools Thaba Kgomotlokoa Linda, 2013-09-19 This handbook serves as a tool to equip the school principal and other educational management on how safety and security risks can be identified assessed and mitigated It aims to provide practical guide on safety and security measures in South African schools The book is based on study conducted in South African schools which explored a variety of school risk exposure inter alia drugs and alcohol usage and abuse possession of dangerous weapons bullying by assaulting and insulting other learners school vandalism school strikes and riots risk of fire and evacuation procedures and theft The book also explored risk control measures such as school fencing detection tools strong rooms and HIV AIDS facilities *Fighting for Empowerment in an Age of Violence* Boskovic, Milica, Misev, Gordana, Putnik, Nenad, 2022-06-30 In today's modern world persistent violence against vulnerable groups and minorities permeates societies making it difficult for them to flourish Empowering these groups has never been more important as society attempts to evolve and focus on inclusion To understand the best practices and challenges of empowerment for minorities further study is required *Fighting for Empowerment in an Age of Violence* analyzes the different forms of violence against vulnerable groups and minorities states their civil rights and illustrates the forms of weakening and violence supported by authorities against their own citizens The book also highlights the challenges for people marked as unequal or weak and the possibilities that the 21st century offers to empower them Covering topics such as gender roles political violence societal security and globalization this reference work is ideal for government officials sociologists psychologists politicians security experts activists researchers academicians practitioners scholars educators and students **Annual Report** South Africa. Department of Defence, 2016 *Disruptive Technologies and Eco-Innovation for Sustainable Development* Akkucuk, Ulas, 2021-09-10 The rise of technology in human culture has changed almost every facet of society Technology is especially useful regarding sustainable development These technologies can cause significant greenhouse gas reductions and other benefits in terms of logistics and smart cities New technology applied in this way can greatly help the human effort to restore the environment *Disruptive Technologies and Eco Innovation for Sustainable Development* provides an in depth look into the new techniques strategies and technologies for achieving environmental sustainability through best business and technology practices The book covers topics such as eco innovation green criteria Agriculture 4.0 and topics related to logic philosophy and history of science and technology from the green sustainable point of view It is essential for managers academicians scientists students and researchers in various government public and private sectors *A Military History of the Cold War, 1962-1991* Jonathan M. House, 2020-09-24 Study of the Cold War all too often shows us the war that wasn't fought The reality of course is that many hot conflicts did occur some with the great powers weapons and approval others without It is this reality and this period of quasi war and semiconflict that Jonathan M House plumbs in *A Military History of the Cold War 1962-1991* a complex case study in the Clausewitzian

relationship between policy and military force during a time of global upheaval and political realignment This volume opens a new perspective on three fraught decades of Cold War history revealing how the realities of time distance resources and military culture often constrained and diverted the inclinations or policies of world leaders In addition to the Vietnam War and nuclear confrontations between the USSR and the United States this period saw dozens of regional wars and insurgencies fought throughout Asia Africa and Latin America Cuba Pakistan Indonesia Israel Egypt and South Africa pursued their own goals in ways that drew the superpowers into regional disputes Even clashes ostensibly unrelated to the politics of East West confrontation such as the Nigerian Biafran conflict the Falklands Malvinas War and the Indonesian occupation of East Timor involved armed forces weapons and tactics developed for the larger conflict and thus come under House s scrutiny His study also takes up nontraditional or specialized aspects of the period including weapons of mass destruction civil military relations civil defense and control of domestic disorders The result is a single integrated survey and analysis of a complex period in geopolitical history which fills a significant gap in our knowledge of the organization logistics operations and tactics involved in conflict throughout the Cold War

Yearbook of International Organizations, 2013-2014 (Volume 2) Union Of International Associations, Union of International Associations, 2013-06-21 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Volume 2 allows users to locate organizations by the country in which secretariats or members are located
