

1981 Mazda B2000 WORKSHOP MANUAL

This workshop manual has been prepared mainly to assist the repair and general servicing of the B2000 and B2000T models. It is also applicable to the B2000T-4WD model. The contents of this manual are based on the latest technical information available at the time of publication. It is the responsibility of the service personnel to keep up to date with the latest developments in the field of vehicle technology.

FOREWORD

This workshop manual was prepared as reference material of the service personnel of authorized Mazda dealers to enable them to correctly carry out the task of rendering services and maintenance on Mazda vehicles.

In order to ensure that the customers are satisfied with Mazda products, proper servicing and maintenance must be provided. For this purpose, the service personnel must fully understand the contents for this manual and at the same time, are recommended to keep the manual in a place where reference can readily be made.

The information, photographs, drawings and specifications entered in this manual were the best available at the time of printing this manual. All alterations to this manual occurring as the result of modifications will be notified by the issuance of Service Information or supplementary volumes. It is, therefore, requested that the manual be kept up to date by carefully maintaining a follow-up of these materials.

Toyo Kogyo reserves the right to alter the specifications and contents of this manual without any obligation and advance notice.
