The Agilist's Guidebook A Reference for Organizational Agile Transformation this workbook is for all Agilist who choose to enable organizational agile transformation
Competitive pressure and fundamental changes will remain the hallmark of the business environment
Thus the need for new and upgraded skills will continue
Lifelong learning is not simply an educational concept it is a business necessity
This workbook has emphasized pragmatic challenges we come across during agile transformation and how we can fortify ourselves to surmount all these challenges
This workbook consists of five distinct areas like Organizational coaching the overall mindset of the team members Leadership capability Building a high performance team Organization development Structure and Culture
These five pillars are five elements of the Panch Bhoota Model
If these five elements are not purified or malfunctions we become ill
As an organization is not a machine it is an organism leaders have to take care of these five elements by learning about them and strengthening these elements so that the organization does not get affected by a foreign threat much like a virus or a bacteria
The political economic social technological legal environment can threaten an organizations survival
When the organization is stable in these five elements it can cope with any challenge thrown by the external environment
This workbook will feature some of the challenges and approaches in handling these areas
This workbook will guide the reader to evaluate their present skills and take action wherever improvement is desired
The author has highlighted many Mindmaps checklist thought provoking questions for the readers to reflect on and take action and has emphasized many case studies in this book to make the book practical for the reader
The author had shared many theoretical concepts for the reader to do further research in and enhance learning in those areas
This workbook is a compendium means it is a compilation of concise but detailed information about a specific subject in this case Organizational Agile transformation
