

Part 1: Design

10 marks

1. **Identify listed issues:** Each learner in the group generates possible design ideas, then shares these ideas, providing as much detail as possible.
2. **Evaluate and design:** Teams evaluate individual design ideas and collectively develop a final design idea based on the strengths of each member's ideas.
3. **Design brief:** Write a design brief with detailed specifications for the final design idea, covering essential tasks or uses, materials, safety, and functionality.
4. **Flow chart:** Teams discuss how to proceed with the design and construction phases, and each learner creates a flowchart to outline the steps to be taken.

Part 2: Pricing and Bidding

10 marks

1. **Working drawings:** Each learner is responsible for creating detailed plan drawings for an aspect of the plan, using first-angle orthographic projection. Ensure that you add a suitable scale, correct line types, and dimensions.
2. **Budget:** Prepare a budget for the "real-life" situation, including necessary materials and labour costs. Ensure that your budget is realistic and based on real market costs.
3. **Model of a viable solution:** Build a scale model of your final design idea. The model should be constructed neatly and show intelligent use of materials, design practice, safety, when working with tools and materials.

Part 3: Evaluation

10 marks

1. **Evaluation instrument:** Collaborate as a team to create an evaluation instrument. This instrument will be used to assess your team's solution and another team's solution. You will use this during the presentation phase.

Part 4: Communication

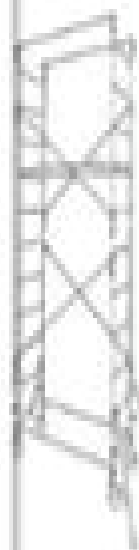

10 marks

1. **Team Presentation:** Teams will present their solution bid to the "tender board" (your teacher and classmates). Each team member must be responsible for presenting a specific aspect of the project. Your presentation should include drawings, plans, the budget, the model, and written responses.

## Mini-PAT

### Community Issues – The Contractors

In this Mini-PAT (Practical Assessment Task), you will act as part of a contracting company competing for a contract to design and build a structure that addresses a problem facing a community. The project will focus on identifying a problem, investigating possible solutions, designing a structure, costing the project, and evaluating the final solution. You will be working in a group.

10 marks

1. **Scenario Introduction:** A community lives on a major river's far bank. The river is wide and deep, preventing the people from reaching the city on the opposite side. This means that the people cannot take advantage of the work opportunities, the excellent medical and schooling facilities, and the wide range of shops available in the city.

2. **Investigation:** Teams discuss possible structures to solve

### **2014 Technology Mini Pat For Term 4 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading 2014 Technology Mini Pat For Term 4 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading 2014 Technology Mini Pat For Term 4 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading 2014 Technology Mini Pat For Term 4 free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free.
