enthusiasm Indeed the NHRA and other governing bodies introduced Sports Car divisions in the late 1950s catering to both stock and modified vehicles Naturally these classes were packed with Corvettes Racing historian Steve Holmes breaks new ground by unearthing the complete early history of the Corvette in drag racing Quarter Mile Corvettes focuses on the period from 1955 to 1975 which spans the first 20 years of Corvette V 8 production Fittingly this was also the era considered by many to be the greatest in drag racing s history and Corvettes encapsulated the vibrancy of the period in a way that will never be repeated Certainly Chevrolet never intended for the Corvette to become a quarter mile terror but today its nameplate has become one of the longest running in all of drag racing
