

Introduction

These findings are consistent with previous studies showing that patients with chronic pain experience more pain. The findings also support the notion that chronic pain is associated with increased anxiety and depression, and that these symptoms are associated with pain. The findings also support the notion that chronic pain is associated with increased anxiety and depression, and that these symptoms are associated with pain.

11. *What is the primary purpose of the following sentence?*

These guidelines were developed by the National Research Council. Other guidelines are available, including the one developed by the American Society for Testing and Materials.

the first time in the history of the country, the *Journal of the American Revolution* has been published. It is a monthly magazine, containing articles on the American Revolution, and is edited by a committee of the Society of the Sons of the American Revolution. The first number is now in the hands of the subscribers, and the second is to be published in a few days. The price is \$1.00 per volume, and the subscribers are invited to send in their names and addresses, and to receive the magazine as soon as it is published.
