When you are looking for a tutor, there are a few things you should keep in mind. First, make sure the tutor has experience in the subject your child needs help with.

Second, make sure the tutor is able to communicate well with your child. A tutor who is good at explaining things will be much more helpful than one who is not.

Finally, make sure the tutor is available at a time that works for you. A tutor who is only available at a time that is inconvenient for you will not be very helpful.

Once you have found a tutor, make sure you are happy with them. If you are not happy, you should look for another tutor. It is important to find a tutor who you feel comfortable with.
