Edmonston,2012-05-19 Lemon Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car and truck books on the market U S automakers are suddenly awash in profits and South Koreans and Europeans have gained market shares while Honda Nissan and Toyota have curtailed production following the 2011 tsunami in Japan Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012 so what should a savvy buyer do The all new Lemon Aid Used Cars and Trucks 2012 2013 has the answers including More vehicles rated with some redesigned models that don t perform as well as previous iterations downrated More roof crash worthiness ratings along with an expanded cross border shopping guide A revised summary of safety and performance related defects that are likely to affect rated models More helpful websites listed in the appendix as well as an updated list of the best and worst beaters on the market More secret warranties taken from automaker internal service bulletins and memos than ever **A Consequential President** Michael D'Antonio,2017-01-03 In response to criticism and disappointment from

the Left A Consequential President offers a bold assessment of the lasting successes and major achievements of President Obama Had he only saved the U S economy with his economic recovery act and his program to restore the auto industry President Obama would have been considered a successful president He achieved so much more however that he can be counted as one of our most consequential presidents With The Affordable Care Act he ended the long running crisis of escalating costs and inadequate access of treatment that had long threatened the well being of 50 million Americans His energy policies drove down the cost of power generated by the sun the wind and even fossil fuels His efforts on climate change produced the Paris Agreement the first treaty to address global warming in a meaningful way and his diplomacy produced a dramatic reduction in the nuclear threat posed by Iran Add the withdrawal of troops from Iraq the normalization of relations with Cuba and his pivot toward Asia and President Obama s triumphs abroad match those at home Most importantly as the first African American president he navigated race relations and a rising tide of bigotry including some who challenged his citizenship while also fighting a Republican Party determined to make him one term president As a result Obama s greatest achievement was restoring dignity and ethics to the office of the president proof that he delivered his campaign promise of hope and change **Automotive News** ,2007 **Lemon-Aid Used Cars and Trucks 2011-2012**
