## **Armageddon Left Behind:**

**Armageddon** Tim LaHaye, Jerry B. Jenkins, 2011-03-16 All armies of the world including the Tribulation Force head for the Middle East to engage in one massive battle as the world becomes even more dangerous to live in with death mistrust and treachery all around     *The Remnant* Tim LaHaye, Jerry B. Jenkins, 2011 Global Community Supreme Potentate Nicolae Carpathia has his oldest and newest enemies right where he wants them massed at Petra a million strong within reach of two bombs and a missile no one could survive without a miracle     **Gods and Arms** Kjell-Ake Nordquist, 2013-02-12 This book brings together a variety of perspectives on how religion can be related to violence and war both in a destructive and constructive way Religion can justify and mobilize violence even terrorism or guerilla wars just like political ideology But how is such a link between religion and violent behavior established in the first place How can we go further in understanding this possible connection between religion and war Is religious peace work just the flip side of religious support of war Or can peace work be informed by knowing about how religion promotes violence and war In the search for answers to the puzzle of religion and war it is easy to focus on conflict and war situations but maybe there is as much to learn from peace work as from war studies Therefore this book also analyses religious peace work from different contexts The multifaceted presence of religion in conflict situations whether justifying violence or promoting peace is illustrated in this book using a variety of situations in an enlightening panorama of one of today's most puzzling social connections religion and armed conflict Contributors include R Scott Appleby Goran Gunner Mariyahl Hoole Mark Juergensmeyer Anne Kubai Kjell Ake Nordquist Jehan Perera Jennifer Schirmer Nari Senanayake and Maria Smaberg     *Skipping Towards Armageddon* Michael Standaert, 2006 A journalist explores the ideological roots of the Left Behind series tracing its relationship to millennial psychology and evangelical religion while also probing the political and social agenda of its author Tim LaHaye Original

**Writing the Rapture** Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the

best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature

**The Left Behind Deception** Steve Wohlberg,2001      **Truth Left Behind** Steve Wohlberg,2001 The popular Left Behind series depicting the rapture of the Church and the rise of Antichrist has captured the imaginations of millions This gripping but fictional story dramatizes a widely accepted view of Revelation s mysterious prophecies and how earth s last days might be fulfilled But could these bestsellers about missing people also be missing important Bible truths **Truth Left Behind** by Steve Wohlberg has a clear purpose to take a closer look at what the Bible really says about the Rapture the Tribulation The Antichrist and his deadly mark Revelation 14 9 14 What s true about The Rapture What s false According to the author when it comes to understanding God s truth we cannot afford to be left behind      Left Behind Tim LaHaye,Jerry B. Jenkins,2005 A fictional account of the Christian story of the Rapture taking place in modern times      75 Days to Armageddon Bro. Z,2011-10-20 What if everything you understood about Biblical end times and the tribulation hinged on a myth What if nobody will be left behind What if Christians were destined to undergo unparalleled persecution for 3 1 2 years before the Lord returns Learn what many non westernized Christians already know in this informative and straightforward book      **Transactions of the British Cave Research Association** British Cave Research Association,1981      **Glorious Appearing** Tim LaHaye,Jerry B. Jenkins,2011-03-16 Thousands of years of human history stained by strife death and sin come to an end when the King of Glory returns to earth The satisfying conclusion of the seven years of tribulation covered by the Left Behind series portrays the return of Jesus Christ to earth in both glory and judgment at the height of the battle between the forces of evil gathered at Armageddon and the remaining Christian believers at Petra and Jerusalem A repackage of the twelfth book in the New York Times best selling Left Behind series      The Nation ,2003      World's End Tim F. LaHaye,Jerry B. Jenkins, A compilation of books 10 to 12 in the best selling Left Behind series The Remnant Nicolae Carpathia has his enemies right where he wants them massed at Petra a million strong within reach of two bombs and a missile no one could survive without a miracle The Trib Force has been compromised and is forced to flee for their lives while trying to maintain their opposition to the Antichrist Armageddon The scattered Trib Force is drawn toward the Middle East as history homes in on the battle of the ages Who will be left standing when the battle leaves the Trib Force on the brink of the end of time and the Glorious Appearing Glorious Appearing Antichrist has assembled the armies of the world for what he believes will be his ultimate triumph of the ages Believers look to the heavens for the Glorious Appearing of Christ as the world stands on the brink of eternity      Braille Book Review ,2004-03      **The Door Magazine** ,2004      **I Want to Be Left Behind** Ted Noel,2002-03 A biblical refutation of the Left Behind mania      Slaves to Faith Calvin Mercer,2009-04-30 As Dr Mercer posits the fundamentalist is fundamentally driven by anxiety layered over a fragile sense of self identity constructed upon a system of beliefs that is both logically inconsistent and highly suspect in light of modern science As a

result the fundamentalist completely rejects modernity while battling mightily in the arena of national politics and culture to bring about a world that aligns more closely with the fundamentalist worldview Focusing on Christian fundamentalists the author puts Christian fundamentalism in its historical and theological contexts At the same time Mercer calls upon cognitive theory to explain that the fundamentalist s life story is not particular to Christianity or any other religious belief system but that fundamentalist Catholics Muslims Jews and those of all other faiths share a common psychological profile Indeed Mercer insists that if the Christian terminology were eliminated from contemporary fundamentalist Christian rhetoric what would remain would be a framework that fundamentalists from other religions would find quite familiar and even comforting In other words the structure of the fundamentalist worldview and the psychology beneath it is pretty much the same across religions It is a controversial thing to say about Christian fundamentalism a thesis that has already proved contentious in the author s public appearances and one that is sure to generate considerable attention and passionate debate as the U S populace continues to divide into opposing camps     **The Sign** Robert Van Kampen,1993-11 Based on the conviction that biblical prophecy will be literally fulfilled The Sign powerfully presents the Bible s teachings concerning the Antichrist s identification and how he will control the world the sign of the end of the age the signal of Christ s return and the church and the Great Tribulation This revised edition of the concise sequential overview of the End Times has an urgent message for every Christian     **Armageddon** Tim F. LaHaye,Jerry B. Jenkins,2003     **Books Out Loud** ,2007
