

Foundation Grant Application Process

Our Mission = "Everyone deserves a healthy smile."

The focus of the Delta Dental of Virginia Foundation (DDoVAF) is to improve the oral health and subsequently overall health of the people of the Commonwealth of Virginia. By directing our philanthropic dollars and efforts solely on oral health initiatives, we can make tangible progress toward improving oral health and creating healthy smiles for all Virginians.

Philanthropic Priorities

The focus of the DDoVAF is to award grants to programs which emphasize access to care, education or research and have a significant impact with sustainable solutions. This document identifies the general guidelines applicable to the Foundation's grant making process.

Funding is provided for new initiatives, to sustain ongoing treatment of existing programs, start-up funding or one-time events that will include one or more of the following Foundation grant criteria:

- **Access to Care** — Initiatives focus on breaking down the barriers that prevent uninsured or underinsured individuals from accessing oral health care and/or the delivery of care in their communities. Examples that would fall in this category could include, but are not limited to, initiatives that increase the number of dental patients seen, provide for additional dentists and dental staff, purchase dental equipment or eliminate barriers that keep patients from keeping appointments. Additional initiatives for consideration include those that seek to increase the overall number of dentists practicing in Virginia, particularly in rural, underserved areas.
- **Oral Health Education** — Initiatives focus on providing oral health education to the public with a special focus on low-income individuals and children as well as enhancing educational initiatives for those pursuing a career in oral health.
- **Advances in Oral Health Research** — Initiatives focus on advancing oral health through medical, educational and behavioral research.

Grant Eligibility

The following entities may apply for a grant from the DDoVAF:

- Any eligible entity for private right-of-way holding a 501(c)(3) tax-exempt status;
- Any organization with a 501(c)(3) tax-exempt fiscal sponsor; or
- An applicant for Federal tax-exemption under 501(c)(3).

, 1994 *Best Practices in Grant Seeking* Saadia Faruqi, 2011-01-28 As the competition for private foundation dollars becomes increasingly more intense, nonprofit organizations are struggling to find competent grant writers who can show results. But even a perfectly written proposal or a highly qualified grant writer cannot guarantee funding. *Best Practices in Grant Seeking Beyond the Proposal* explores how to involve an organization's leadership in the grant seeking process and how to work together with staff from public relations, programs, and even other fundraising areas to make the grant proposal process more fruitful. The best practices in this book can help nonprofit officials determine agency wide activities both short and long term that support and enhance the efforts of the grant writer and that will ultimately improve the amount and number of grants received from foundations by building long lasting relationships with funders, accessing the power of their communities, and establishing internal communication and cooperation.
