Good afternoon, everyone. My name is Shelly Diggs, principal of Norton Middle School. Here before you today stands a group of bright, high achieving individuals that are about to embark on the next step of their academic journey. Students, congratulations! You have survived your first year of middle school. You came to us from all kinds of backgrounds – some of you are from small elementary schools, some are from larger ones. Some have even joined us from a homeschooling background. Regardless of your differences, everyone has made new friends, and this welcoming spirit is why I'm proud to call Norton Middle School my home. I hope everyone here feels the same way, because Norton will always welcome you.

This year has been absolutely a delight to spend with you all. Our 6th grade band and orchestra won the state championship in music, which allowed us to purchase all-new instruments for our music department. In addition, some of your very own students have taken the initiative to build clubs based on their own interests. This year has seen the founding of the chess team, the running club, and the debate team. Basically, this year has been one of the most involved and spirited years I have seen. Please, keep up the good work and keep your enthusiasm high for all of us!

As you progress onwards to 7th grade, many things will change, and many things will remain the same. You will grow and change and I believe that each of you has the potential to achieve great things. In fact, you have consistently proven to me that you are a group of extremely bright and talented individuals. On behalf of all the faculty and staff of Norton Middle School, congratulations on your graduation, and enjoy your summer break!
