- The 100 countries that the Institute covered earlier were those that are either the recipient of foreign assistance or making serious development efforts.
- In categorizing the 100 countries, the Institute used 10 criteria of development.
- These factors determined the countries' positions on the list, not the 100 countries in general, but the countries that are making great strides in the economic, social, and political spheres.

1999

Our 500 provides a different type of product. It can be changed to accurately fit the specific needs of any company by modifying the product.
