**The Catholic Periodical Index, a Cumulative Author and Subject Index to a Selected List of Catholic Periodicals**, 1956      **The Transformation of the Gulf** David Held, Kristian Ulrichsen, 2013-03-01 This book examines the political economic and social transformation of the six member states of the Gulf Cooperation Council GCC and the ways in which these states are both shaping and being reshaped by the processes of globalisation Adopting a multidisciplinary approach the volume combines thematic chapters focusing on issues such as globalisation nationalism and identity political thinking and economic diversification and redistributive policymaking with empirical chapters studying specific aspects of reform and change the emergence of governing markets the rise of Sovereign Wealth Funds Islamic Finance the relationship between energy and sustainability trends in foreign aid donorship strategic and foreign policy formulation Contributions from experts in the field provide cutting edge snapshots of a region in flux and collectively offer a roadmap of its repositioning in the global order examining the interaction between global processes and internal dynamics of change and resistance that inject new dimensions into debates over the loci of local and global transformations and the manner in which each plays off the other Situating the Gulf States firmly within their global twenty first century context this book will hold particular appeal to theorists of globalisation as well as to scholars of comparative politics international political economy and area studies

**Spain and the Independence of the United States: An Intrinsic Gift** Thomas E. Chávez, 2002-04-11 The role of Spain in the birth of the United States is a little known and little understood aspect of U S independence Through actual fighting provision of supplies and money Spain helped the young British colonies succeed in becoming an independent nation Soldiers were recruited from all over the Spanish empire from Spain itself and from throughout Spanish America Many died fighting British soldiers and their allies in Central America the Caribbean along the Mississippi River from New Orleans to St Louis and as far north as Michigan along the Gulf Coast to Mobile and Pensacola as well as in Europe Based on primary research in the archives of Spain this book is about United States history at its very inception placing the war in its broadest international context In short the information in this book should provide a clearer understanding of the independence of the United States correct a longstanding omission in its history and enrich its patrimony It will appeal to anyone interested in the history of the Revolutionary War and in Spain's role in the development of the Americas      **The History and**
