Dodge,J. Clifton Fleming,Deborah A. Geier,2004-01-01 *Federal Income Tax* Joseph M. Dodge,J. Clifton Fleming (Jr.),Robert J. Peroni,2012 To view or download the 2018 Cumulative Supplement to this book click here In this well rounded and student friendly casebook theory and policy discussions are threaded throughout the text material which provides the basis for dealing with the problems and questions that now appear at the end of the section or subsection to which they relate This Fourth Edition maintains the overall approach and feel of the Third Edition It also begins with an overview laying out the tax system s basic features and introducing students to fundamental principles and policies continues to address the differences between income and consumption taxation early in the book so that students can follow this theme throughout discusses the competing views of a normative income tax base the Schanz Haig Simons approach and ability to pay realization approach provides broad coverage of the federal income tax as it exists and does so in a coherent structure based way that facilitates student learning and converts many of the questions from the Third Edition into notes and problems that are easier to engage and simplifies the examples An extensive Teacher s Manual is available to professors This book also is available in a three hole punched alternative loose leaf version printed on 8 5 x 11 inch paper with wider margins and with the same pagination as the hardbound book Federal Income Tax Joseph M. Dodge,Francine J. Lipman,J. Clifton Fleming (Jr.),Robert J. Peroni,2019-08 To view or download the 2022 Supplement to this book click here This student friendly casebook contains theory and policy discussions that provide the basis for answering problems and questions that appear at the end of each section The fifth edition fully integrates all significant developments since the prior edition including the 2017 Tax Cuts and Jobs Act It presents an overview of the tax system s basic features and introduces students to fundamental principles and

policies The book addresses the differences between income and consumption taxation early on so that students can follow this theme and its relationship to deferral and the time value of money throughout

**Federal Income Taxation** Joseph Bankman, Daniel N. Shaviro, Kirk J. Stark, 2012 Integrating theory and policy in an accessible yet challenging approach Federal Income Taxation features a tradition of distinguished authorship reaching back to the original author Boris Bittker eminent tax scholar from Yale Law William A Klein who retires as of this edition has a long established reputation across academia business and the federal government and Bankman Shaviro and Stark represent the best known of younger tax scholars A unique introduction lends insight to both the historical background and economic analysis of federal taxation for individuals Problems interspersed between Notes and Questions help students comprehend the complexity of the material The Sixteenth Edition expands the highly successful international perspective comparing tax rules in a variety of countries A revised discussion of progressivity against the background of current tax rate debates is completely up to date An important new discussion of *Mayo Foundation for Medical Education and Research v United States* considers the degree of judicial deference to Treasury regulations and new material introduces recent codification of the economic substance doctrine Hallmark features of Federal Income Taxation Problems interspersed between Notes and Questions Esteemed authorship o Original author Boris Bittker eminent tax scholar o William A Klein retires as of this edition distinguished reputation in taxation o Bankman Shaviro and Stark among the best known younger tax scholars Unique introduction with insightful historical background and economic analysis Theory and policy integrated throughout Accessible yet challenging Thoroughly updated the revised Sixteenth Edition presents Expansion of successful international comparisons to tax rules in other countries Revised and updated discussion of progressivity against the background of current tax rate debates New discussion of *Mayo Foundation for Medical Education and Research v United States* concerning the degree of judicial deference to Treasury regulations New material on recent codification of the economic substance doctrine *Federal Income Tax* SAMUEL A.. TOBIN DONALDSON (DONALD B.. MORROW, REBECCA N.), Donald B. Tobin, 2024

**Federal Income Taxation of Individuals** JEFFREY L. KWALL, 2020-02-11 On the 25th anniversary of Jeffrey Kwall s groundbreaking *The Federal Income Taxation of Corporations Partnerships Limited Liability Companies and Their Owners* now in its 6th edition Kwall has done it again with a brand new take on personal income tax in *The Federal Income Taxation of Individuals* An Integrated Approach Part of Foundation Press s forward looking Doctrine and Practice Series Kwall s book offers a modern approach to income tax designed to resonate with the current generation of law students The book fully integrates the Tax Cuts and Jobs Act of 2017 and in addition to the traditional cases contains a collection of contemporary cases with provocative fact patterns that will interest all students In that light the book was designed to accommodate students with different learning styles by providing explanatory text and notes detailed examples and problems and a myriad of text boxes offering insights discussion questions online references points worth noting and applications to the practice of law A primary

goal of the book is to expose students to practical tax problems and to heighten student awareness of quality of practice issues This goal dovetails with the book's recurring theme that economic considerations always outweigh tax considerations The book consists of 18 Chapters After an Introduction Chapter 1 Chapters 2-8 focus on Gross Income Because tax law is a foreign subject to most law students these early chapters explore gross income in the context of familiar economic relationships e.g. a business owner and its employees a donor and a donee a lender and a borrower Chapters 9 and 10 address Deductions In addition to focusing on allowance provisions these chapters integrate the consequential impact of classifying deductions as section 62 deductions miscellaneous itemized deductions and other itemized deductions Chapters 11-14 are focused on Timing questions with emphasis on the tax law's treatment of time value of money issues Chapters 15 and 16 address Tax Rates and include coverage of assignment of income issues capital gains and losses and dividends Chapter 17 highlights the Alternative Minimum Tax and Chapter 18 introduces the taxation of corporations and partnerships to whet students' appetites for future tax courses The book is ideally suited for a three credit or four credit introductory income tax course

Problems and Materials in Federal Income Taxation Sanford M. Guerin, Philip F. Postlewaite, 1998 This popular casebook continues to focus on the fundamentals of income taxation and take a realistic problem solving approach to a potentially frustrating course The only book organized around the taxing formula PROBLEMS AND MATERIALS IN FEDERAL INCOME TAXATION Fifth Edition now incorporates recent legislative changes Guerin and Postlewaite blend explanatory text with short realistic problems to guide students through the complex tax system one step at a time gross income deductions taxable income and different tax rates Each chapter opens with a content overview that helps set the stage For The discussion Notes problems and self contained sections make the material easily accessible and readily understandable As it enters its Fifth Edition PROBLEMS AND MATERIALS IN FEDERAL INCOME TAXATION retains the strengths that have made it so effective more than 200 brief problems explore difficult concepts and cover federal income tax developments collected readings expertly highlight the components of the taxing system careful coherent structure brings clarity To The subject Teacher's Manual includes answers to every problem in the book In addition To The legislative changes The Fifth Edition also features a fully revised selection of cases rewritten conceptual material to make learning as painless as possible
