**The Journey Back: a Reflective Devotional** William Layton Nelson,2021-11-03 Dear Friends I invite you now to take a scenic ride with me on the memory train to somewhere in the past This is a reflective devotional that journeys into our past thoughts dreams ideas and events to discover how God communicates to us through each of them to impact our today and shape our tomorrow Taking a journey back in time will not always produce good and pleasurable results The purpose of the trip down memory lane is not to avenge injustices of the past The memories whether painful or pleasant are recorded to recall how God has brought us through situations and use circumstances as teaching moments If also your journey is a mission of recompensing some kindly deeds rendered for which you desire to show gratitude then journey on On this journey we will encounter peace heavenly peace which only flows from the Holy City of God I pray that you will be blessed as we journey together William Layton Nelson 2021

**Job** Samuel Eugene Balentine,2006 The book of Job is considered by many to be the crown jewel of biblical literature in its claim to speak about God The word that defines the challenge for every reader of the book is struggle The struggle results from the fact that whatever Job s truth may be he was neither the first nor the last to try to articulate it In the midst of so many words in this world about God from writers within and outside the scriptural witness this book offers a truly astonishing declaration about what it means to live in a world where order breaks down and chaos runs amok where the innocent suffer and the wicked thrive where cries for help go unanswered This new commentary by biblical scholar Samuel Balentine leads readers on an in depth and far reaching look at the nature of the book of Jo and the various attempts by the many who have sought to further explore Job s essential struggle
