International, a small company in New Zealand, to make a small number of limited edition pieces. The idea was to make a small number of pieces that were unique and special. The pieces were made from a variety of materials, including wood, metal, and glass, and were designed to be both functional and decorative. The company's focus was on quality and craftsmanship, and they aimed to create pieces that would be treasured for years to come. The pieces were sold through a network of galleries and boutiques, and were highly sought after by collectors and enthusiasts. The company's success led to the opening of a larger studio in New Zealand, and they continued to produce unique and special pieces for many years to come.
