Syndicated Television Hal Erickson, 2024-10-09 Here is an excellent reference book on first run syndication, the distribution of programs either made exclusively for non-network play or of programs intended for network telecasts but ultimately making their debuts in syndication. Bringing together information not easily found, this work covers the classics such as *Sea Hunt*, *Highway Patrol*, *The Merv Griffin Show* and *the Muppet Show* as well as such once popular but now obscure productions as *China Smith*, *Ripcord* and *The Littlest Hobo*. Coverage goes back to 1947 and the book includes a number of series ignored in other works. The first section is an overview of the concept of syndication from its earliest application in the newspaper world to the attempt by Fox Television to become a fourth network. The next four sections each cover ten years of syndication, listing the shows with full background, who produced them and why, who liked them and why, etc., alphabetically by title under the following genres: Adventure, Mystery, Children's, Comedy, Drama, Game Quiz, Informational, Music, Variety, Religious, Sports, Talk, Interview, Travel, Documentary, Westerns, and Women's.

Focus On: 100 Most Popular Television Series by Warner Bros. Television Wikipedia contributors, **Stephen J. Cannell Television Productions** Jon Abbott, 2009-09-12 The face of 1980s television was shaped by a man who stayed behind the scenes. Stephen Cannell's reluctant white knights put upon private eye James Rockford, World War II fly boys the Black Sheep Squadron, hapless superhero Ralph Hinckley, fugitive mercenaries the A Team, and maverick cop Hunter traversed the television landscape from the 1970s to the 1990s. Cannell changed the face of the action-adventure genre, updating the crime show format with a hybrid of rebellious morality, juvenile wit, intelligent sarcasm, and radical conservatism. This book discusses in detail the programs of the writer-producer and lists every episode of his award-winning productions from the early 1970s to the early 90s. The book features publicity photos and descriptions of unsold pilots.
