## **Stand Still Like The Hummingbird:**

Stand Still Like the Hummingbird Henry Miller, 1962 One of Henry Miller's most luminous statements of his personal philosophy of life Stand Still Like the Hummingbird provides a symbolic title for this collection of stories and essays Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print Miller's genius for comedy is at its best in Money and How It Gets That Way a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money His deep concern for the role of the artist in society appears in An Open Letter to All and Sundry and in The Angel is My Watermark he writes of his own passionate love affair with painting The Immorality of Morality is an eloquent discussion of censorship Some of the stories such as First Love are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with Tropic of Cancer and other great books

**Henry Miller and Narrative Form** James Decker, 2006-06-01 In this bold study James M Decker argues against the commonly held opinion that Henry Miller's narratives suffer from formlessness He instead positions Miller as a stylistic pioneer whose place must be assured in the American literary canon From Moloch to Nexus through such widely read texts as Tropic of Cancer and Tropic of Capricorn Decker examines what Miller calls his spiral form a radically digressive style that shifts wildly between realism and the fantastic Drawing on a variety of narratological and critical sources as well as Miller's own aesthetic theories he highlights that this fragmented narrative style formed part of a sustained critique of modern spiritual decay A deliberate move rather than a compositional weakness then Miller's style finds a wide variety of antecedents in the work of such figures as Nietzsche Rabelais Joyce Bergson and Whitman and is viewed by Decker as an attempt to chart the journey of the self through the modern city Henry Miller and Narrative Form affords readers new insights into some of the most challenging writings of the twentieth century and provides a template for understanding the significance of an extraordinary and inventive narrative form *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles* University of California (System). Institute of Library Research, University of California, Berkeley, 1972

*American Writers* Leonard Unger, A. Walton Litz, Molly Weigel, Jay Parini, Lea Bechler, 1974 The four volume set consists of ninety seven of the pamphlets originally published as the University of Minnesota pamphlets on American writers Some have been revised and updated

**Passionate Lives** John Tytell, 1991 Here is a compelling account of the romantic lives and times of five great writers of this century D H Lawrence F Scott Fitzgerald Henry Miller Dyland Thomas and Sylvia Plath Passionate Lives evokes how these writers lived on the cutting edge of passionate intensity shows how their own love affairs influenced their writing and brings a unique perspective to the work and lives of some of the best literary artists of the 20th century
