In the center, a shark swims towards the right, also with a cutaway showing its internal anatomy. To the right, a manta ray is depicted with a cutaway of its internal structures. The bottom of the cover is filled with a diverse coral reef ecosystem, including purple and pink corals, a large orange starfish, a green sea slug, and a large orange crustacean (possibly a hermit crab or similar) in the foreground. The background is a deep blue ocean with light rays filtering down.
