

Getting to know yourself after Recovery: Part 1

START HERE. Finish the sentence, "I miss drugs or alcohol at times because..."

Sure, okay, but how will you deal with the loss?

Alright, recovery is tough. Is it what you want, or is it what others want for you? (What will it take for YOU to want to stay in recovery?)

List two strengths that were present before you went into recovery. They can be talents, skills, or abilities.

- 1.
- 2.

Of course, the next question is... how can you use these strengths to help you stay clean and sober?

Why are you quitting anyway? What don't you like about your addiction? (You've answered this question a 1000 times before!)

What are the benefits to recovery? (You've seen this one before too...)

Don't be embarrassed to look at your weaknesses. Understanding them helps you grow. Name two weaknesses you want to change.

- 1.
- 2.

What skills would the "new" you like to develop?

How do you let the addiction go?

How does recognizing your weakness make you a stronger person?
