Who Gets In? Rebecca Zwick, 2017-05-15 On the disputed topic of U.S. college admissions everyone agrees that this high stakes competition is unfair. But few agree on what a fair process would be. Stressing transparency in evaluating applicants, Rebecca Zwick assesses the goals and criteria of different admissions policies and shows how they can fail to produce the desired results. **The Boy Crisis** Warren Farrell, John Gray, 2018-03-13 What is the boy crisis? It's a crisis of education. Worldwide, boys are 50 percent less likely than girls to meet basic proficiency in reading, math and science. It's a crisis of mental health. ADHD is on the rise. And as boys become young men, their suicide rates go from equal to girls to six times that of young women. It's a crisis of fathering. Boys are growing up with less involved fathers and are more likely to drop out of school, drink, do drugs, become delinquent and end up in prison. It's a crisis of purpose. Boys' old sense of purpose—being a warrior, a leader or a sole breadwinner—are fading. Many bright boys are experiencing a purpose void, feeling alienated, withdrawn and addicted to immediate gratification. So what is The Boy Crisis? A comprehensive blueprint for what parents, teachers and policymakers can do to help our sons become happier, healthier men and fathers and leaders worthy of our respect.
