# Academic Journals On Gun Control

**John R. Lott**

## Academic Journals On Gun Control:

**Gun Control in Context** Suzanna Fay, 2024-05-09 This book approaches the gun control debate by asking what it takes to achieve acceptance of and compliance with gun control regulations in a community thought to be opposed and resistant It does this by centring this question on the experience of gun dealers who occupy a dual role in the compliance process subject to its regulations yet central to the application of all regulatory processes The findings are surprising in that they demonstrate more support for gun control than opposition among this group more willingness to cooperate with authorities than resistance and more possibility for setting the tone for support with the wider gun owning community This book considers how policy makers in the USA can capitalise on these overtones of collaboration and concern for public safety and learn from the successes and mistakes of the Australian gun control experience *Gun Control in Context* is essential reading for all those engaged across the broad spectrum of the gun control debate and offers a grounded and reasoned approach to the challenges of public policy It will be of interest to criminologists legal scholars and political scientists alike

*The War on Guns* John R. Lott, 2016-08-01 When it comes to the gun control debate there are two kinds of data data that s accurate and data that left wing billionaires liberal politicians and media want you to believe is accurate In *The War on Guns* Arming Yourself Against Gun Control Lies nationally renowned economist John R Lott Jr turns a skeptical eye to well funded anti gun studies and stories that perpetuate false statistics to frighten Americans into giving up their guns In this his latest and most important book *The War on Guns* Lott offers the most thorough debunking yet of the so called facts data and arguments of anti gun advocates exposing how they have repeatedly twisted or ignored the real evidence the evidence that of course refutes them on every point In *The War on Guns* you ll learn Why gun licenses and background checks don t stop crime How gun free zones actually attract mass shooters Why Stand Your Ground laws are some of the best crime deterrents we have Women now hold over a quarter of concealed handgun permits How big money liberal foundations and the federal government are pouring hundreds of millions of dollars into public health studies the sole purpose of which is to manufacture false data against guns How media bias and ignorance skew the gun debate and why it will get worse From 1950 2010 not a single mass public shooting occurred in an area where general civilians are allowed to carry guns

Journal of Police Science and Administration ,1984      **Chambers's Journal of Popular Literature, Science and Arts** ,1871      Chamber's Journal of Popular Literature, Science and Arts ,1871      **Defence Science Journal** ,2004      **Chemical News and Journal of Industrial Science** ,1890      *The Chemical News and Journal of Physical Science* ,1890      **Telegraphic Journal and Monthly Illustrated Review of Electrical Science** ,1885      **Gun Control in the United States** Gregg Lee Carter, 2017-01-23 This up to date second edition work will stimulate and clarify readers thinking on the key issues surrounding guns in the United States especially on the debate over gun control Most public debate and discussion about guns in U S society is rarely guided by research not surprising as most individuals have a personal opinion on this highly

inflammatory topic based on their upbringing or personal experiences Additionally most research about gun use in America is confusing and contradictory making it difficult for citizens to gain much from their attempts to investigate the topic objectively This book offers concise understandable coverage of all aspects of the issue including incidence of gun violence gun control gun rights government regulation legislation and court decisions gun organizations for gun control and for gun rights gun enthusiast subcultures for example hunters target shooters and collectors and U S attitudes toward guns Many of the covered topics are placed in historical and cross cultural perspective The new edition of *Gun Control in the United States A Reference Handbook* enables the reader to navigate and interpret the research to become sufficiently educated on any specific aspect of the gun issue to make an informed decision for example whether to support stricter or more lenient gun control whether to become a gun owner whether to support a particular political party or candidate or whether to develop or to refine a particular philosophy regarding guns Other aspects of the contemporary gun debate that are addressed include whether the Supreme Court's ruling that the Second Amendment guarantees an individual right will withstand future challenges whether the strong gun regulations used in Europe would be effective and applicable in reducing gun violence in the United States and whether the diversity explosion created by the high rate of immigration from countries where guns are strictly controlled will soon change the politics of the U S gun control debate

**Gun Control** ,1990     Gun Control Alva W. Stewart,1986     **Journal of the Franklin Institute** Franklin Institute (Philadelphia, Pa.),1886 Vols 1 69 include more or less complete patent reports of the U S Patent Office for years 1825 59     **Gun Control** Earl Roger Kruschke,1995

Centered on the issues concerning gun control in the United States today this handbook contains a wealth of material on arguments for and against the regulation of firearms     **Chemical News and Journal of Physical Science** ,1890     **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1890     *Congressional Record* United States. Congress,1968 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789 1824 the *Register of Debates in Congress* 1824 1837 and the *Congressional Globe* 1833 1873     **New Scientist and Science Journal** ,2004     The Journal of Legal Studies ,1975     *Canadian Journal of Psychiatry* ,2000
