And Even Now:

Even Now Kimberly Sellers, 2022-11-23 *Even Now* is a book about faith and holding onto hope that things all work out for good. The road of faith is indeed a tough road to walk and some people have no faith at all. Others have it but somehow lose it along the way. This book encourages those who feel all hope is lost, giving them a fresh new start on life and all of its possibilities through the power of believing it can be done. The author knows there is someone who simply thirsts for positive change in their lives but can't get off the hamster wheel of unbelief. The author through simple words of encouragement backed by biblical reference shows her audience that believing is power in itself. Her words are easily interpreted without overuse of extreme jargon and convey to those seeking better in their lives that there is a way to live joyfully and with hope for the new day ahead. The promises that are made to us by God are the principles for which we stand strong and this book personifies those principles. Hope is a powerful four letter word and it's given to us by the Word of God. This book gives us hope that better is on the horizon when we trust and believe it to be done. The author has granted us a peek inside God's gentle and humble heart and encourages the reader to try Him for themselves. Life can be hard to endure for many people but this book provides a road map that leads to the One who can provide hope in the middle of despair, peace in the middle of a storm and a solid foundation where the ground you stand upon feels unstable. Take the opportunity to read this book and take the challenge to start your journey with faith in God to do the things that seem impossible. See what a difference it can make in your life.

Even Now Karen Kingsbury, 2005 A soul stirring tale of lost love and forgiveness

Church Doctrine, Volume 5 Paul C. McGlasson, 2018-07-02 The present volume is the fifth in a five volume study of church doctrine. The multivolume set covers the major parts of church doctrine: Canon, God, Creation, Reconciliation, and Redemption. The first volume begins with an introduction to the entire project on why doctrine matters, which stresses the ecumenical, global, and above all biblical horizons of church doctrine as a primary expression of Christian witness. The purpose of this fifth volume is to explicate the full reality of God's redeeming love for the whole creation. In the doctrine of redemption, the church looks forward in hope. Through the gift of the Spirit at Pentecost, the church is gathered out of all nations and peoples of the earth and looks forward to the coming day of final redemption for the whole cosmos. Yet even now, the promise of God's coming is active in the world, rendering the church into a new humanity, establishing a new society, calling every individual to a new life of joy in discipleship. Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ, the risen Lord.
