Andrew McCarthy National Review:

The Arab-Israeli Conflict in American Political Culture Jonathan Rynhold, 2015-02-23 This book surveys discourse and opinion in the United States toward the Arab Israeli conflict since 1991. Contrary to popular myth it demonstrates that U.S. support for Israel is not based on the pro Israel lobby but rather is deeply rooted in American political culture. That support has increased since 9/11. However the bulk of this increase has been among Republicans conservatives evangelicals and Orthodox Jews. Meanwhile among Democrats liberals the Mainline Protestant Church and non Orthodox Jews criticism of Israeli policies toward the Palestinians has become more vociferous. This book works to explain this paradox. Oversight of the U.S. Department of Justice United States. Congress. Senate. Committee on the Judiciary, 2011. *For God and Country* Ralph Reed, 2020-03-31 Donald Trump Defender of Religious Freedom. In 2016 many Christian leaders at first opposed candidate Donald Trump. He was a former social liberal and his occasional vulgarity multiple marriages and divorces and tabloid scandals made it impossible for him to defend Christian values in public life. Or so they thought. Trump nevertheless won four fifths of the Evangelical vote in 2016 as well as the majority of the Catholic vote. And in 2020 the idea that he can't represent Christians is demonstrably false. He has been the most ardent and effective presidential defender of religious liberty and the pro life cause since Ronald Reagan and perhaps in U.S. history. In *For God and Country* Dr. Ralph Reed draws on his deep knowledge of American history his unsurpassed experience as a political strategist his personal dealings with President Trump and the First Family and his moral commitment as a Christian to show why Catholics and Evangelicals should continue to strongly support their unlikely champion. In *For God and Country* Reed reveals the sincerity of President Trump's defense of the Christian faith and why he has delivered policy victories when other pro Christian presidents haven't. Why Trump is the most pro Israel president in American history. How liberals hope to demoralize Christians and thus defeat Donald Trump and reverse his pro life pro family pro religious freedom policies. Why Never Trump Christians naively preach de facto political surrender. *For God and Country* is not just required reading for the 2020 election it is required reading for every conservative Christian who loves America and wants to return it to Christian values. The National Review, 1884.

U.S. National Debate Topic, 2005-2006 Lara Weibgen, 2005. An overview of the relationship between personal freedom and national security through speeches addresses and articles. **Spygate** Dan Bongino, D.C. McAllister, Matt Palumbo, 2018-10-09. Everyone has an opinion about whether or not Donald Trump colluded with the Russians to defeat Hillary Clinton in 2016. The number of actors involved is staggering the events are complicated and it's hard to know who or what to believe. *Spygate* bypasses opinion and brings facts together to expose the greatest political scandal in American history. Former Secret Service agent and NYPD police officer Dan Bongino joins forces with journalist D.C. McAllister to clear away fake news and show you how Trump's political opponents both foreign and domestic tried to sabotage his campaign and delegitimize his presidency. By following the names and connections of significant actors the authors reveal why the Obama

administration sent a spy connected to the Deep State into the Trump campaign How Russians were connected to the opposition research firm hired by the Clinton campaign to find dirt on Trump How the FBI failed to examine DNC computers after they were hacked relying instead on the findings of a private company connected to the DNC and the Obama administration Why British intelligence played a role in building the collusion narrative What role Ukrainians played in legitimizing the perception that Trump was conspiring with the Russians How foreign players in the two events that kickstarted the Trump Russia collusion investigation were connected to the Clinton Foundation and What motivated the major actors who sought to frame the Trump campaign and secure a win for Hillary Clinton
