**Angels in My Hair** Lorna Byrne, 2008 Angels In My Hair is the autobiography of a modern day mystic an Irish woman with powers of the saints of old When she was a child people thought Lorna was retarded because she did not seem to be focussing on that was around her Lorna remembers seeing not just the world around her but seeing equally vividly angels and spirits For many years she assumed everyone saw the same As Lorna tells the story of her life growing up in a poor family later working in Dublin marrying and experiencing family tragedy the reader meets as she did the creatures from the spirit worlds who also inhabit our own mostly angels of an astonishing beauty and variety including the prophet Elijah and an Archangel but also the spirits of people who have died Today it is not only the sick and troubled who come to visit Lorna looking for healing and consolation but theologians of different faiths and the head of a religious order in Rome travel to see her for guidance and spiritual insight This remarkable document is the testimony of a woman who sees things at the far end

of the spectrum beyond the range of our everyday experience     *Angels in My Hair* Lorna Byrne,2011 An Irish mystic talks about her encounters with angels and other spiritual beings discussing how these entities exist as guardians and companions to every person and provide comfort and guidance in every stage of life     [A Message of Hope from the Angels](#) Lorna Byrne,2012-11-06 The author of the bestselling Angels in My Hair gives you the comfort of knowing that no matter how alone you might feel you always have a guardian angel by your side to support you In this inspiring and uplifting book Lorna Byrne reveals how you can call on the help of your angels to carry you through the challenges that everyone inevitably faces including loneliness depression stress financial strain heartbreak the death of a loved one or feeling inadequate as a parent No matter what obstacles you face you can call on this support to make your life happier and more fulfilling     *Love From Heaven* Lorna Byrne,2017-02-14 Lorna Byrne sees angels and speaks to them every day She sees so much more than angels though she sees love as a physical force emanating from those she observes In this book Lorna reveals what angels have taught her about love and how we can unlock the love stored within all of us She has also created a seven day program with exercises you can do each day in order to have more self appreciation     **Stairways to Heaven** Lorna Byrne,2010-09-16 Lorna Byrne sees and talks with angels every day of her life and has done since she was a baby As a child Lorna was told by the angels that her job on this earth was to share the wisdom and knowledge that God and the angels were giving her When Lorna s husband died her world fell apart In Stairways to Heaven she tells the story of how she pulled her life back together and how she an uneducated mother of four broke her silence and started to spread the angels message to the world Lorna tells us of the future that God envisages for us and some possible other futures depending on the decisions we make Everyone must play their part she says She reveals some of the most extraordinarily detailed information about angels and the way they work in the world that has ever been written down She also introduces us to the Guardian Angel of the Earth and explains why it is so important that we listen to him She tells the tragic love story of two spirits who she met first as a young child These spirits stayed close to her for twenty years using Lorna s spiritual gifts to heal those who had done them wrong and also to heal the descendants of those wrongdoers whose lives were still being overshadowed The overwhelming reaction of readers to Lorna s writing regardless of religious belief is that it gives them hope helping them to realise that no matter how alone they might feel they have a guardian angel by their side     **My Guardian Angel, My Best Friend** Lorna Byrne,2020-11-05 A collection of children s stories by international bestselling author Lorna Byrne Lorna Byrne says we all see angels when we are young children but are gradually conditioned to screen them out Here for the first time she has written stories inspired by real life of seven children whose lives were transformed and made better by their interaction with their guardian angels Among these there is a story of a little girl called Suzy paralysed from birth and unable to play with other children Angels play with her and bring her great happiness In another story a little girl called Emma is mean to her classmates and gets her little brothers into trouble at home Her guardian angel gradually prompts her towards a more

harmonious and happy life Tommy feels he is an outsider because he is no good at football Then with his guardian angel s loving help and attention Tommy scores a brilliant goal Lorna began telling stories to her daughter Aideen at an age when like all children she was beginning to focus far more on the material world and less on spiritual influences These stories are written to show children the ways in which they can ask for help from their guardian angels and perhaps even to catch a glimpse of them In Venetia, Parma, the Emilia, the Marche, and northern Tuscany Augustus John Cuthbert Hare,1876
