

## Assessment Process: Peer Review

### Assessment Process: Peer Review

Students assigned to Peer Review will be assigned three Peer Reviewers that consist of other students from the same class. Students will be assigned to a group consisting of two students. Each group will have one student be the primary reviewer and one student be the secondary reviewer. The primary reviewer will be responsible for reading the student's work and providing feedback that covers three sections. Each student will receive a copy of the peer review form and the peer review process will be explained to them. The primary reviewer will be responsible for reading the student's work and providing feedback that covers three sections. Each student will receive a copy of the peer review form and the peer review process will be explained to them.
